

SENATE WILL DECIDE NEWBERRY CASE

COMMITTEE WILL BE APPOINTED TO PASS ON CLAIMS OF FORD

Recent Supreme Court Decision Will Have No Effect On Action Of Senate--Are Passing Upon Different Phase Of Case --Republican Leaders Want Decision.

(By The Associated Press)
WASHINGTON, May 21.—The senate will decide claims of Senator Newberry and Henry Ford to the seat from Michigan, prominent Republican leaders said today, independent of the recent supreme court decision dismissing corruption charges against Senator Newberry.

Decision to have the senate proceed with the case, it was said, has been reached informally and a definite announcement of plans is expected when the senate privileges and elections committee meets Tuesday.

Against strong opposition within the Republican senate membership, influential leaders were said today to have taken the view that from many aspects, it was desirable to proceed with the separate investigation by the committee and have the senate act finally on the title of Senator Newberry. It is now planned to reappoint the sub-committee, headed by Senator Spencer, Republican, Missouri, which has had charge of past proceedings to go ahead with taking of testimony and render a verdict for ultimate consideration of the full committee and the senate, probably in the form of a resolution.

Several considerations were said to be involved in the matter, least of which, Republican leaders asserted, was insistence of prominent Democratic leaders and of Mr. Ford himself for a thorough investigation and final disposal by the senate.

The chief reason given for procedure by the senate was said to be the difference between the charges passed upon by the supreme court and those, much broader, before the senate.

The supreme court case, it was said, dealt only with the federal corrupt practices act, declared unconstitutional, and also, only with the primary campaign between Senator Newberry and Mr. Ford. The senate charges cover expenses and activity of not only the primary but the general election campaign.

Another reason advanced for continuing with the senate case was the dispute over the issues settled in the supreme court decision. Senator Newberry's friends have contended that the senator was given a "clean bill" by the highest court and that the senate case should be dropped. Democrats generally, including Mr. Ford himself, and several Republicans, including Senator Spencer, have expressed the view that only a part of the charges were before the court and that the senate should proceed with the remainder. It also has been contended that the senate is the final judge of its own membership and of their qualifications.

Several prominent Republican leaders who were inclined, upon first reading of the court decree, to believe that further senate action was unnecessary were said today to have come to the view that for many reasons, the senate should go ahead independently.

The contention also is made by those in control of the matter that it would be better for the senate and for Senator Newberry as well to have a senate verdict rendered after receipt of all testimony. The effect of a senate decision politically in the future was said to be a consideration, also, although comparatively a minor one.

WILL ADHERE TO INTERNATIONAL COURT
Geneva, May 21.—Czechoslovakia has given its adherence to the international court of justice, created by the league of nations. The international court protocol was signed today by Dr. Cyril Dusek, the Czechoslovak minister. This makes the thirty-fourth nation to adhere to the tribunal.

WARNS AGAINST ABOLISHMENT OF BOARD OF TRADE

Predict England Would Name Values of America's Grain Crops

(By The Associated Press)
CHICAGO, May 21.—Declaring that if the Chicago board of trade is abolished by unwise legislation, England will name the values of America's grain crops, the Illinois Manufacturers' association today sent a bulletin to its members urging opposition to two measures now before the state legislature.

"Do not let the key to the world's grain market slip from Illinois by unwise legislation," the bulletin said. "Two bills are pending before the assembly, senate bill 283 and senate bill 284, which if enacted into laws will be the means of destroying the Chicago Board of Trade as an exchange."

The two bills have for their objects the preventing of "hedging" and for the regulation of exchanges and the licensing of operators. A concerted movement to defeat both bills was urged.

EDITORS ELECT OFFICERS SATURDAY

Hassal T. Sullivan of the Milwaukee Journal to President—W. A. Markham of Decatur Herald on Board of Directors.

(By The Associated Press)
Milwaukee, May 21.—Hassal T. Sullivan of the Milwaukee Journal was re-elected president of the International Editorial association tonight. Other officers of the board of managers re-elected were Charles C. Grant of Chicago, secretary; Ray D. Everson, Indianapolis News; W. A. Frisbie, Minneapolis News; Colonel Ernest J. Chambers, Ottawa; Newton Kendall, Montreal Star; Albert N. Eastman, Chicago; W. G. Beleyer, University of Wisconsin; William DeBeck, New York Journal, and Waldo Arnold, Milwaukee Journal.

FORMER R. R. PRESIDENT DIES
St. Paul, Minn., May 21.—E. L. Brown, 58, former president of the Minneapolis & St. Louis railroad, died today. Mr. Brown was a member of the railway labor board.

Born in Polk, Iowa, Mr. Brown after receiving his education there began his railroad career as a messenger for the Chicago, Rock Island & Pacific. A widow and daughter survive. Funeral services probably will be held at Polk.

SENATOR FRANCE WILL MAKE TRIP TO SOVIET RUSSIA

Says Trip Will Be Made in Interest of Public Welfare

(By The Associated Press)
WASHINGTON, May 21.—Senator France of Maryland on leaving Washington tonight for Baltimore preparatory to his trip to Russia issued a statement asserting that his proposed study of conditions in Russia would be "wholly in the interest of the public welfare." He will sail Tuesday and after a visit to London he will go into Russia by way of either Riga or Revel.

"I am making this trip," the senator added, "with the hope that I may be able to do something to promote the cause of the reconciliation of the nations and the reconstruction of the world."

"I hope that there may be no misapprehension concerning the nature of my trip. I stated that I would not go to Russia in the face of an objection either on the part of the president or on the part of the secretary of state, and no objection on their part has been offered. But I wish it to be clearly understood that they have neither expressed approval, nor I go entirely on my own responsibility, not in any sense representing any department of our government."

NATIONAL GUARDSMEN SCOURING MOUNTAINS

Looking for Men Who Fired in Merimac—Other Points are Quoted

(By The Associated Press)
Williamson, W. Va., May 21.—Kentucky national guardsmen were scouring the mountains on the Kentucky side of the Tug river tonight in an effort to capture those responsible for the shooting into Merimac, West Virginia, today.

According to reports received by the authorities here, two employees of the White Star Mining company were the targets for the bullets from the Kentucky hills. They escaped injury.

Other points in the trouble zone along the West Virginia-Kentucky border were reported quiet by Captain Brooks, of the state police and sheriff Pinson of Mingo county.

Another "law and order" meeting was held tonight by representative business men of the county. Several volunteers were sworn in as state policemen, bringing the total number of deputized citizens here to 200. Quite a number have been deputized in towns and villages along the Tug.

Williamson has taken on the appearance of an armed camp. The new "citizen-police" have been armed with rifles.

LIFT QUARANTINE ON ELLIS ISLAND

New York, May 21.—The quarantine placed on Ellis Island Thursday after a death from typhus had occurred there, was lifted today and examination completed of 2,900 of the six thousand immigrants held on liners in the harbor. Officials expected to handle the rest tomorrow.

WILL PROMOTE BUILDING CONSTRUCTION
Springfield, Ill., May 21.—Articles of incorporation were issued by Secretary of State Emerson today to the U. S. Sanitary Building association, an organization established to promote building construction. The incorporators were O. J. Thoren, E. C. Hodges and Exel Flint.

GOVERNOR SMALL REITERATES THE STAND OF STATE

Replies to Recent Speech of Wisconsin Highway Head

(By The Associated Press)
SPRINGFIELD, Ill., May 21.—The determination to follow a road building program "with a view to securing maximum mileage at minimum cost, irrespective of the wishes of the cement trust" was expressed in a letter by Gov. Len Small to Gov. J. J. Blaine of Wisconsin today. Gov. Small's letter followed a recent speech by A. R. Hirst, state highway commissioner of Wisconsin, at the annual convention of the Portland Cement association here.

Mr. Hirst was quoted as saying, "It is a disgrace to any state whose officials refuse to complete a link of good roads between Chicago and Milwaukee. When a state has from \$80,000,000 to \$100,000,000 to spend for highway construction it immediately has the attention of the Tammany and other political machines."

Gov. Small assured Gov. Blaine that he did not think for a moment that Mr. Hirst sat at the banquet of the cement kings, and spoke their text of "Build roads now regardless of cost" as your representative, or with a commission from the people of Wisconsin who employ him.

Speaking for Cement Company.
"That he was speaking for the Portland Cement association and NOT for you, I am satisfied," Mr. Hirst's speech, Gov. Small wrote, "saved the propaganda being spread broadcast by other emissaries of the Portland Cement association."

"It seems to me," he continued, "that it would be more appropriate for a state road official to serve the public, to resist the blandishments of the criminal profiteers, rather than be bantering with the kings of the cement trust and condemning our efforts to save the people's money."

What He Should Be Doing
"It would be much more fitting for the highway engineer of Wisconsin to buy equipment, as we in Illinois are doing, in the effort to break the backbone of the cement trust, rather than to be breaking bread with the Portland Cement association, some members of which are under grand jury indictment for making an illegal combination in restraint of trade, which in plain American English, as I understand it, means criminal profiteering."

"We are determined still, and that determination is lasting, that the \$80,000,000 to \$100,000,000 of Illinois' road money shall go into roads, not into the pockets of profiteering men, paid propagandists, or cement trust politicians."

"I agree with Mr. Hirst when he says, 'highway work must be divorced from politics.' But I also wish to say that every state highway department should be divorced from the cement trust."

SMALL SIGNS FOUR MORE BILLS
Springfield, Ill., May 21.—Governor Small tonight signed four more bills passed by the 52nd general assembly. They were: Senator Dail's bill authorizing an exchange of real estate at Peoria to give that city a site for a new armory; the Phillips bill, providing penalties of \$500 or a year in jail or both, for circulation of false statements concerning the financial condition of banks; the Rodick bill authorizing the Cook county recorder's office to close at 4 p. m. daily and at noon Saturday and the Stienert bill validating the organization of park districts.

PRICE FOR BOMBING JOB WAS \$500

Chicago, May 21.—Five hundred dollars for a bombing job, \$400 in advance and \$100 after the job was done, was the price generally paid by labor leaders who resorted to terrorist tactics, James Sweeney, 24, told Chief of Police Fitzmorris today. Sweeney is one of nine men said to be an organized clique of expert bombers, who are under arrest.

Sweeney implicated Harry Bartlett and Albert Peterson, the former as a fellow bomber and slinger, the latter as a director of several operations of the band.

NATIONAL TRACTOR SHOW TO BE HELD IN FARGO

Fargo, N. D., May 21.—The National Tractor Show, scheduled for June 28, 29 and 30, will be held in Fargo, according to an announcement by G. E. Fuller, Chicago, secretary of the National Tractor Manufacturers association, received by the city commission.

Two new ambassadors of the U. S. Upper, Jacob Gould Shurman, former president of Cornell university, who has been appointed ambassador to China. Lower, Richard Washburn Child, famous author, who has been appointed ambassador to Italy.

FORMER GOVERNOR ARRESTED ON THE CHARGE OF PEONAGE

Sidney J. Catts is Taken Into Custody at Albany, Georgia

(By The Associated Press)
ALBANY, Ga., May 21.—The search of federal and Florida officials for Sidney J. Catts, until recently governor of Florida and before that an ordained minister, ended today with his arrest here on the federal charge of peonage. Released on bond furnished by Albany citizens at the solicitation of two local ministers, the former governor tonight was returned to Jacksonville.

Two charges await Catts, the federal charges of peonage and the state charge of bribery.

The arrest was brought about by a clerk who having sold a collar to him noticed the initials "S. J. C." in the discarded collar. The clerk notified the police of his suspicions.

Catts made no effort to conceal his identity when first questioned and after submitting to arrest remarked, "Well, it seems my enemies won't let me alone."

SETTLEMENT OF STILLMAN CASE IS ANNOUNCED

Terms Have Been Virtually Agreed Upon, Says New York Times

(By The Associated Press)
NEW YORK, May 21.—Virtual settlement of the divorce suit brought by James A. Stillman, millionaire banker against Mrs. Anne U. Stillman, involving recognition of the legitimacy of the infant, Guy Stillman, has been agreed upon by principals and attorneys in the case, the New York Times announces in the Sunday morning edition.

While the terms of the settlement are still under negotiations, the newspaper states that they provide for a separation agreement between Mr. and Mrs. Stillman, whereby she is granted a yearly allowance of \$90,000, the abandonment of the divorce proceedings and recognition of the child's legitimacy.

CALLS ATTENTION TO COAL CURTAINMENT

Berlin, May 21.—Germany has sent a note to the supreme council calling attention to the curtailment of coal production, due to the Upper Silesian situation, and pointing out the probability of failure to deliver France's regular quotas.

HARDING TO MAKE TWO ADDRESSES IN NEW YORK MONDAY

Left on Mayflower Accompanied by Mrs. Harding

(By The Associated Press)
WASHINGTON, May 21.—President Harding, accompanied by Mrs. Harding and several members of his official family, left Washington on the presidential yacht, Mayflower, late today for New York where he will make two addresses Monday.

At the navy yard where the presidential party embarked, the usual ceremonies of the turning out of the guard and the firing of a salute of 21 guns to the chief executive were observed.

Before boarding the Mayflower the President and Mrs. Harding motored to Potomac Park where a polo game was in progress and alighting from their car they took their places unostentatiously among the spectators.

Encountering Major-General Peyton C. March, chief of staff, the latter began to explain the game, participated in by teams representing officers from Fort Myer and the war department but the president explained that he was familiar with it. "The aristocracy of sports" was the way he defined the game.

The president is expected to arrive in New York early Monday. He first will address the Academy of Political Science and later will speak at the dinner in celebration of the 125th anniversary of the founding of the New York Commercial.

AVIATORS FLY INTO TORNADO

Plane is Tossed About Like a Leaf—Made Landing But Plane is Wrecked

ABERDEEN, N. D., May 21.—Flying into a tornado which whipped their plane about like a leaf was the experience of A. W. Nelson of this city and Arthur Winheister of Minneapolis, while making their first official trip as Yellowstone route pathfinders near Webster, S. D., Thursday according to their stories. Neither of the fliers were hurt but their machine was wrecked, Nelson said.

"It was getting dark and the rain was coming down hard. It had the force of hail, and rattled against the sides of the plane like marbles."

As we neared Webster, we found ourselves turning about in the air like a leaf.

"After we had gone thru all kinds of involuntary stunts imaginable we managed to effect a landing. We anchored each wing tip, tail and front with auto axles, kept the nose pointed into the wind and kept the engine running full speed but the wind became too strong and the plane was carried away some distance and wrecked."

WILL PLAY SUNDAY BASEBALL AS USUAL

Aberdeen, S. D., May 21.—Sunday baseball will be played as usual in the South Dakota baseball league tomorrow despite the ruling of the state supreme court that is admission is charged it shall be considered an infraction of the "blue laws." Fans will be admitted to the park free, but those who desire to watch the game from the grandstand or bleachers must buy seats it was announced.

FOREST FIRE SWEEPING THRU NATIONAL RESERVE

Minneapolis, May 21.—Headquarters of the Superior National forest at Ely reported late today the fire which had been raging in the Wales branch of the state forest reserve had crossed the boundary and was sweeping into the national reserve. Camps Nos. 8 and 10 of the St. Croix Lumber company have been warned.

ACTOR LOSES SUIT IN SPRINGFIELD

Springfield, Mo., May 21.—James L. Crane, New York actor, husband of Alice Brady, motion picture actress, today lost a case in circuit court here to recover \$132,000 rental from property inherited from his former wife, Mrs. Blance Crane.

BIPLANE STARTS ON RECORD FLIGHT

Paris, May 21.—To biplane, Goliath, piloted by Lieut. Bessourot, made a new start tonight in an attempt to win the Grand Prix of the Aero club of France. The flight is to cover a distance of 1,600 miles. Weather conditions were favorable.

JAMES A. FARRELL MAY BECOME HEAD OF SHIPPING BOARD

President of the United States Steel Corporation is Said to Have Been Offered the Position by President Harding—Appointment Draws Criticism from Davis of Tennessee

(By The Associated Press)
WASHINGTON, May 21.—The invitation understood to have been extended by President Harding to James A. Farrell, president of the United States Steel Corporation, to become chairman of the shipping board was the subject of partisan debate in the house today during consideration of the \$100,000,000 deficiency appropriation bill, which includes items for the board.

Mr. Farrell's name was brought into the discussion by Representative Davis, Democrat, Tennessee, a member of the Merchant Marine committee, after Chairman Good of the appropriations committee had been questioned by Democrats as to the board's policy during the present administration.

"It will be the substitution of a business policy for a lack of business policy," replied Mr. Good, adding that the president was doing his best to find \$100,000 men for the \$12,000 jobs.

Asserting that all appointments to the board were being held up, "while the president was trying to persuade Mr. Farrell to accept," Mr. Davis declared the man being sought was "head of one of the greatest monopolies and one most vitally concerned in the expansion of shipping operations."

TELLS COMMITTEE OF GRAFT PAID IN ERECTION OF HOTEL
Questions Are Asked
"Is this man the only man capable of holding the high position?" Mr. Davis asked. "Why are his qualifications such as to delay appointment of other members while you criticize the board for not functioning fully?"

Representative Madden, Republican, Illinois, broke in to ask why the same criticism should not have been heaped upon President Wilson for putting C. M. Schwab at the head of the board in war time.

"Schwab was called in during an emergency when other men were patriotic enough to lay aside their own affairs to serve the country," Mr. Davis asserted.

Mr. Farrell, as chairman of the board, Mr. Good declared, would not be permitted to purchase a single ton of steel.

The discussion ended after Representative Connolly, Democrat, Texas, read an extract from the report of the house committee investigating the board's activities, declaring "It is accomplished, were the most remarkable achievements the world had ever known."

SCORE NARROWLY ESCAPE DEATH

CHICAGO, May 21.—A score of persons including several children narrowly escaped death today when a vacant, four story building in the heart of the West Side tenement district collapsed.

First reports were that several children playing in the structure had been trapped, but a search revealed that all had escaped.

The building, which had stood vacant since the explosion of illicit fireworks several weeks ago wrecked several nearby buildings and caused six deaths. It was believed by the police that the explosion weakened the building which collapsed today.

FRENCH SAY THAT SITUATION IS SERIOUS

(By The Associated Press)
LONDON, May 21.—The French embassy today presented a note to the British foreign office, pointing out the seriousness of the upper Silesian situation, in view of the persistent attitude of the German corps, the Bolshevik tendencies of the workers and the difficulty of intervening between the Poles and Germans.

The note says it is necessary to make joint representations to Germany to urge her "to put into execution the measures she has announced," and invites Baron D'Abernon, British ambassador to Germany, to support the steps taken by the French ambassador to Germany who requested Chancellor Wirth to take steps to prevent the dispatch of war material or the organization and transport of volunteers into upper Silesia.

It is stated in French quarters that 30,000 armed Germans have entered Silesia.

OREGON COURT WANTS TAFT ON SUPREME BENCH

Salem, Ore., May 21.—The seven members of the Oregon supreme court today signed a telegram to President Harding petitioning him to appoint William Howard Taft as a member of the United States supreme court to succeed late Chief Justice White.

CHICAGO HAS HEAT PROSTRATIONS
Chicago, May 21.—Many heat prostrations were reported as the mercury climbed to 90 today, the highest mark ever recorded in Chicago on May 22.

WEATHER REPORT

WEATHER ILL.—vg. &—J. Illinois.—Somewhat unsettled but generally fair Sunday and probably Monday; continued warm.

Possibly if the proper steps were taken, playgrounds might be established in Wabash park. It could not be turned to a better use and is located where it would be easily accessible for children in a nearby populous district.

In Springfield the citizens have organized for reform. A Protestant minister is the president of the association and a prominent Catholic layman is the secretary. The reports that have come out of the capital city during past weeks give abundant evidence that the reform movement is entirely warranted by the facts.

One result of the bank robbery in Chandlerville was a conference of Cass county bankers with the county board to discuss ways and means of preventing robberies. The board desires to give the bank officers all possible protection and agreed to the appointment of additional deputy sher-

iffs. The board also authorized rewards for the arrest of the bank robbers, which with the standing offer of the bankers association, bring the figures to \$1,000.

It is the lawlessness in down-state counties and the frequency of bank robberies that emphasize the need of a state constabulary or some other armed forces to augment the strength of the sheriff and police departments.

Road building in Logan county is to take on new life because the Illinois Central railroad has cut the freight rate on gravel from certain points from 90 to 75c per ton. This means a reduction of about \$12 on the average car.

It is some kindly disposed railroad will only do a like favor for Jacksonville it might be possible to find a contractor with a sharp enough pencil to figure a profit and still keep within the limit set by the state department.

STANDS TEST OF YEARS.

A year ago the chamber of commerce of Springfield made a special drive for members, securing a large number. Because of the campaign now in progress here, the following editorial taken from the Springfield Journal has point. This editorial was evidently written on the first anniversary of the drive mentioned and indicates that the organization has stood the test after a twelve months' period.

"The Chamber of Commerce has made an excellent record during the first year of its existence. It has justified the confidence that was reposed in it

by two thousand men and women a year ago when they signed memberships. It has accomplished many things in a year that contribute to the improvement of Springfield. The prospects for the second year are very bright.

"There has never been so fine a co-operative feeling among the people of this city, never a more devoted loyalty to its interests, never a more helpful outlook.

"During the year many have come into Springfield who should be members. Some who refused a year ago may have changed their minds. Some members have moved away and a few have defaulted in their obligations. It is to fill up the vacancies and to enlist the service and support of those who have come to town or did not join a year ago that the present drive is made."

PROPOSED LAWS UNFAIR TO RAILROADS.

Among various bills presented to the Illinois legislature which would greatly increase cost of railroad operation are the "Full crew" bill and the "Car shed" bill. If the first of these should become a law it would mean the adding of an extra man to almost every freight train and consequently result in a huge increase in operating cost. It is estimated that if this bill were to become a law that the increased expense for the Alton railroad alone would be \$168,675 annually. Railroad managers well maintain that present methods and equipment are such that the services of an added man are not needed.

The "Car shed" bill would require railroads to build sheds where as many as six men are employed at one time for a period

of more than 30 days in the repairing or construction of railroad cars. Such a law would mean millions of expenditure for the railroads of Illinois in the erection of permanent buildings and their maintenance.

Why buildings are any more necessary for men at work in car building than in other lines of construction work does not appear. Workmen are engaged in many kinds of outdoor employment and it is not a matter of record that this outdoor work is unhealthy. In fact, the records prove otherwise. Certainly the railroads of the country are not in position to take on any unnecessary expenses.

DO NOT FAIL TO SEE "MICE AND MEN" Senior Class Play, J. H. S. Monday, May 23 Grand Theatre.

Deaths

Woodward.

Mrs. Kate Winger, South Diamond street, has received word of the death of her sister, Miss Margaret Woodward who passed away at her home in Citronelle, Alabama, at 7:45 Saturday morning. Miss Woodward was the daughter of Amos and Elizabeth Woodward, and was born on Joy Prairie but went to Citronelle with her sister, Julia several years ago. She is survived by two sisters, Miss Julia, with her, and Mrs. Kate Winger of this city. She was a lady of a very lovable character and dearly beloved by all who knew her.

Her sister, Miss Julia, is expected with the remains on Monday and the funeral will probably be conducted Monday afternoon.

METHODISTS PLAN CENTENNIAL PICNIC

Centennial of Methodism in Morgan County to Be Fittingly Observed by Picnic on August 4—Prominent Methodist to be Speaker.

The committee in charge for the Methodist celebration in this city met Saturday afternoon at Centenary church and decided upon Thursday, August 4, as the date for the picnic. Representatives of at least ten churches of the county were present and all the preliminary plans were gone over in a thoro way.

Amos Swain, chairman of the committee, presided and Rev. Raye L. Ragan was elected secretary-treasurer. The chairman was given authority to name a general committee of five, including himself and the district superintendent. In the naming of this committee the chairman is to have the aid of te secretary.

It is planned to have a parade in the morning, followed by dedication of the marker for the site of the first Methodist meeting house. Then dinner will be served at Nichols park. In the afternoon there will be an address by Dr. Bob Zarring, editor of the Northwestern Christian Advocate, who will give his famous lecture on "Autobiography of a Saddle Bag."

Later in the afternoon there will be a program of athletic sports for the children and young people, and it is probable that there will be a historical pageant in the evening.

The committee appointed to secure a suitable marker for the site of the first Methodist meeting house reported that they had located such a stone. However, the committee has not yet completed arrangements for this. The committee included Mr. Swain, Rev. D. V. Gowdy, Rev. E. L. Fletcher and Rev. T. H. Tull.

An appeal is to be made to the various Methodist churches throughout the county for funds which will be required to finance the celebration and it is hoped that there will be hearty co-operation.

It is probable that the centennial program will draw together several thousand people and there is every indication that the occasion will be one of great interest not only to Methodism but to the public generally.

OPEN EVENINGS Our greenhouses will be open evenings beginning Monday for the week. Get your plants early. Full stock. JOS. HEINL & SONS.

CHAPIN MAN WILL GO TO MANCHESTER BANK

Charles Leitze to Become Assistant Cashier of Manchester Bank — Other Chapin News Notes.

Chapin, May 21. — Charles Leitze has accepted a position as assistant cashier in the Manchester bank, and will take up his work there immediately after the close of school.

Miss Amy Onken returned home Friday noon from her trip into Idaho and Montana.

E. E. Sidles was a business caller in Jacksonville Thursday. Dr. F. G. Elter was calling on friends in Jacksonville Thursday.

Mrs. A. T. McQuown was a recent shopper in Jacksonville.

Mrs. Luella Whipple, who has been a guest the past week at the E. F. Antrobus home, returned to her home in Springfield Thursday night.

Miss Gladys Knopp, R. N. of the Passavant hospital visited with her mother, Mrs. Della Knopp, Thursday.

W. S. Brownlow, J. O. Wimberly and George W. Anderson were among the Jacksonville visitors Saturday.

Mrs. A. G. Burr who has been in Jacksonville for several days will return to Indianapolis today.

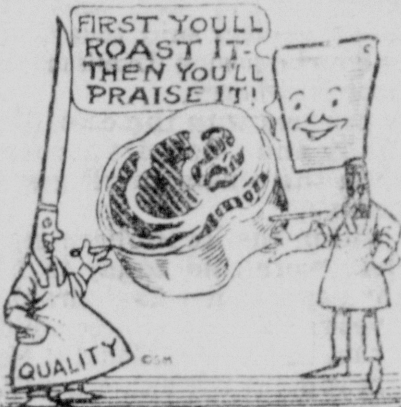

Dock Yourself A Dollar A Week

If your salary was reduced a dollar a week, you would manage to get along just the same. You would simply be a little more careful in spending.

Just play that your salary has been cut a dollar a week and put that extra dollar in the bank. Fifty two dollars a year added to your savings, together with the interest we pay, will soon make a substantial sum.

Here Comes the Circus to SCOTT'S THEATRE

Monday, and Tuesday

Hear the brassy blare of the band, the ramble of the big gilded wagons, the cheerful skirl of the steam caliope! And there is the Big Top going up like magic on the old ball grounds, there is Jumbo, the elephant, carrying tent poles with his trunk. There are the bareback riders, and the cowboys in sheepskin chaps, the flame swallower and the human octopus. And everywhere are crowds—fathers and mothers, grandfathers and grandmothers, and flocks of youngsters. Hurrah! The Circus has come to Town!

"LOVE NOT, LOVE NOT, YE GLOWING SONS OF CLAY THINGS THAT ARE MADE TO FADE AND FALL AWAY"

"IDOLS OF CLAY"

WITH

Mae Murray and David Powell

The man had worshipped a beautiful woman. Had laid his love and hopes at her feet, only to find her a cold and killing mockery. The girl had worshipped her father. Thought him saintly benefactor of men, only to find him a murderous rogue. So here life had tumbled them—broken, hopeless, abandoned—a little more clay in the mire of a nunderworld dive. But the clay was warm with youth, and in it a glimmer of old, fine dreams. The rest is a heart-stirring story of two soul's regeneration.

High Grade White Cloth Oxfords

\$3.95

and

\$4.95

If we wanted to we could sell you white canvas oxfords and pumps for \$1.50 a pair. But our customers know that we are not selling that kind of shoes. Our customers want the very finest that there is in footwear without paying a fancy price for it. And we have certainly satisfied that demand this season with the elegant line of high grade white cloth oxfords that we are retailing at \$3.95 and \$4.45.

If you buy your footwear with "quality first" in mind these oxfords will interest you.

We also have a complete line of strap slippers and pumps reasonably priced.

BAPTIST LADIES HAD SUCCESSFUL SALE

Society Circle No. 3 of the Pastors' Aid society of the First Baptist church held a market in Dorwart's window yesterday morning. The display of dainty pastries, fresh bread, doughnuts, cakes, pies and country butter was so tempting that the articles were sold almost as soon as they were brought out of the baskets. Mrs. George Hocking managed the market and was assisted by Mrs. C. H. Story, chairman of circle No. 3 and Mrs. Lee Huff.

A sum of about \$25 was realized from the market.

AMERICAN GOLFERS WIN FROM ENGLISH PLAYERS SATURDAY

Take Nine Out of Twelve Matches, Most of Them Easily

HOYLAKE, Eng., May 21.—The American golfers demonstrated their superiority over the British players today in a series of foursomes and singles, winning nine of the twelve matches. Reassured by this showing, the Americans will rest Sunday with renewed determination to capture the British title in the coming week.

They made a clean sweep of the four foursomes in the morning, and won five of the eight single matches in the afternoon play.

The outstanding strength of the Americans was demonstrated in driving, while the predominating weakness of the British lay in putting.

Evans Defeated.

The feature of the day, was the defeat of "Chick" Evans of Chicago, the 1920 amateur champion, by the British champion, Cyril Tolley. Evans suffered from frequent and luck at times in this match, bounding badly and several times missing the hole by inches. He succumbed to Tolley, the idol of the English amateur links, by four up and three to play. The fourth foursome was between Dr. Paul Hunter and J. Wood Platt on one side and R. H. Demontmorency and Roger Wethered, on the other, in which the Englishmen held the lead at the turn by two holes.

By superior driving and their work on the greens, where they gave nothing away, the American gradually reduced the gap and won by the narrow margin of one up.

Bobby Jones in Good Form.

"Bobby" Jones of Atlanta, who drove off the first ball amid cheers, proved to be in good form, and returned a score of 34 for the first nine holes, and with "Chick" Evans equally sound, they finished with the largest margin of the series five up and three to play.

Tolley and E. W. Eholdness were beaten by Francis Ouimet and Jesse P. Guilford, three up and two to play.

The other two players who lost in the singles were Dr. Pudhume of Los Angeles, champion of southern California, who was defeated by C. C. Aylmer of Ranelagh, two up and one to play and J. Wood Platt who lost to T. D. Armour, of Lochianburn, two up and one to play.

Jacksonville Chapter No. 3 R. A. M. will hold a special convocation Monday evening at five-thirty. WORK. Supper. Visiting companions welcome. W. P. Spillman, E. H. P. John R. Phillips, Secy.

BERGHAMMER IS OUT OF GAME

St. Paul, Minn., May 21.—Marty Berghammer, second baseman of the St. Paul club in the American association, will be out of the game for at least two months, according to his physician. In the recent Minneapolis series, Berghammer was hit on the left wrist by a pitched ball. An x-ray examination disclosed that the wrist had been fractured.

Since the beginning of the training season Berghammer has been the victim of accidents. Last season he was the leading second baseman of the circuit, but this season has played in only a few games.

Don't fail to read BRADY BROS. adv. on page 6 today.

FOR SKIN TORTURES

Zemo, the Clean, Antiseptic Liquid, Just What You Need. Is Not Greasy

Don't worry about eczema or other skin troubles. You can have a clear, healthy skin by using Zemo obtained at any drug store for 35c, or extra large bottle at \$1.00.

Zemo generally removes pimples, blackheads, blotches, eczema and ringworm and makes the skin clear and healthy. Zemo is a clean, penetrating, antiseptic liquid, neither sticky nor greasy and stains nothing. It is easily applied and costs a mere trifle for each application. It is always dependable.

The E. W. Rose Co., Cleveland, O.

REHEARSALS IMPORTANT FEATURE OF PHILHARMONIC WORK

In the playing of great symphonic orchestras, where the blending of individual work into the harmony of a perfect ensemble is an ideal always striven for, the rehearsals necessarily play a part of the utmost importance in the production of the finished offering. The Philharmonic orchestra of New York which will be heard in Jacksonville on May 26 is no exception to this rule.

Under the direction of Conductor Stransky, the Philharmonic Orchestra holds a rehearsal every morning during the week except on Sundays, and when there is a concert in the afternoon. These rehearsals continue all thru the season. They are also held during the two weeks previous to the date of the first New York concert.

In order to keep the minds of the members of the orchestra eager and alert, Conductor Stransky divides the two hours of each rehearsal into periods of approximately one hour each and rehearses a different composition in every period. Of course he has no iron clad rule about this division, and occasionally devotes more time to one piece of music than another; but he always has in mind the idea of keeping the musicians keyed up to their work.

An interesting development in the life of the Philharmonic is the history of its final rehearsals. Originally patrons of the Orchestra were allowed to witness these rehearsals for a small admission fee. As interest in the Philharmonic increased, the attendance at these rehearsals grew, until it was found necessary to add to the admission fee. Finally the rehearsal became so popular that the conductor's longer interrupted the players. The rehearsals had, in short, become a regular concert. This fact was soon officially recognized by the Philharmonic management, and the concert was forthwith incorporated in the regular series, and is now more frequently sold out than not.

CHILEAN STUDENT AT WOMAN'S COLLEGE

Miss Marie Perlaza, who is a student at the Illinois Woman's College, has written a paper which will be given this afternoon at the college. It is on the "Work of the Y. W. C. A. in South America." Since Madam-ouelle Perlaza does not speak English this paper will be read by one of the college students this afternoon at the Y. W. service in the social room.

Miss Perlaza has been sent to America by the Chilean government to study the system of education in the United States. She is well known in Chile as a writer of books on interior decoration and literary criticism. The college students are fortunate in hearing a native of South America speak on the conditions there and urging the intellectual Americans to get better acquainted with her country.

FEDERAL RESERVE INCREASES RATE

Raise Rate of Ninety Day Paper One-Half Per Cent.

St. Louis, May 21.—The St. Louis federal reserve bank today announced a rate of six per cent, an increase of one-half per cent on paper maturing within 90 days discounted for member banks, and secured by liberty bonds and victory notes.

The charge was made to bring the rate in line with that of other reserve districts, it was stated.

The discount rate on all commercial paper above the "basic line" which varies with the value of the paper, was increased one per cent the rate of that below the basic line remains at six per cent.

SEVENTEEN SCHOOLS IN WASHINGTON U. MEET

St. Louis, Mo., May 21.—Seventeen schools will be represented in the Missouri Valley conference track and field meet at Washington University May 27 and 28.

All the conference schools have entered. They are: Missouri, Kansas Aggies, Ames, Drake, Nebraska, Grinnell, Oklahoma and Washington. The eight non-conference schools to participate are: University of South Dakota; West Virginia, Fairleigh Dickinson College, Topeka, Kan.; Miles College, Northwest State Normal, Winfield, Kan.; State Manual Training School, Pittsburgh; Hendrix College, Hendrix, Ark.; Oklahoma A. & M., Stillwater, Okla.

Jack Grover of Kansas City, formerly a Washington University student, will be referee and starter.

KNOX HAS 100 STUDENTS IN ATHLETICS

Galesburg, Ill., May 17.—Baseball, track and spring football practice at Knox college have been giving more than 100 Knox students opportunity to participate in athletics. This is approximately 40 per cent of the male student body. Spring football practice was brought to a close with a game between two picked teams, which ended in a scoreless tie. Coach Barry expects that many of the men who have been out for spring practice will develop into varsity material next fall.

Among Litterberry residents who were in Jacksonville Saturday were Mr. and Mrs. O. M. Petefish, Mr. and Mrs. Owen Crum, W. W. Young and family, Mrs. G. T. Litter, Mrs. Carl Roach and son, Mrs. James Roach and daughter,

WOMAN'S COLLEGE ENDOWMENT GROWING

Fund Is Nearing Goal to be Reached by June 7.

With the gifts last week amounting to several thousand dollars the Illinois Woman's College endowment and improvement fund is steadily growing. The total amount announced Friday was \$27,000 leaving a total of \$23,000 to be raised before June 7th when the Million dollar mark is to be reached.

Although the campaign among the students has been virtually closed there is still a great deal of enthusiasm and spirit being shown and students and faculty are in believing that the \$1,000,000 goal will be attained by commencement time.

VISITORS IN LITERBERRY

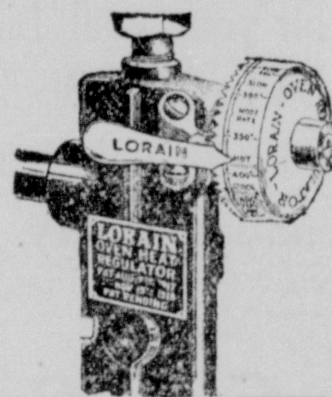

Mrs. Richard Guggell of Fairfield, Iowa, arrived in Litterberry Friday for a visit with her father, J. H. Henderson, who has been seriously ill for the past several weeks. Mrs. Fred Henderson, who has also been a guest at the Henderson home, has returned to her home in Woodson.

One easy turn of the wheel shown here gives you the desired oven temperature for your cooking.

Did you attend one of our OVEN-DINNER Cooking Demonstrations

LORAIN OVEN HEAT REGULATOR

Special Showing Now of

Clark-Jewel Gas Ranges With Lorain Oven Heat Regulator

Even the most skillful cooks have occasional failures in baking. This is due to lack of means for setting and controlling definite oven temperatures.

You must have the right oven to insure successful baking.

The "Lorain" Oven Heat Regulator gives you exact oven temperatures. By a simple turn of the "Lorain" wheel you can have your choice of any of 44 oven temperatures covering the entire range of baking heats.

Setting the "Lorain" is as easy as turning a door knob. Once you have set the wheel the heat of the oven will not vary during the entire cooking period, or until you change the set of the wheel.

"Lorain" takes the uncertainty and guesswork out of oven cooking. It banishes "unlucky" bakings.

"Lorain" also makes possible WHOLE MEAL COOKING IN THE OVEN, freeing you of the necessity of hanging for hours over a hot stove watching the pots boil. Come in and let us show you the "Lorain"-equipped Clark Jewel Gas Ranges. Get the book "An Easier Day's Work." It tells all about "Lorain" cooking.

Keep Cool And Look Well This Summer

—By way of introduction—I often wonder what is meant by the words "weaker sex."

—Being in the clothing business—the making of good clothes—I notice such things, and I find that it is quite possible for a lady to wear furs in August with apparent comfort. It may be all right, but men like to feel cool, look cool and actually be cool.

—I have made a study of cool clothing and am now prepared to make up men's summer suits from a wide selection of splendid cool cloths.

Poruscloth

Tropical Weight Worsteds and Palm Beach

—Some men have held the erroneous notion that a suit made from these light weight cool materials will not hold its shape and look well. Such a notion is all wrong—if your suit is tailored to order, made to fit you, from one of the materials mentioned here, it will look well until it finally is worn out. The secret is in the making. Summer Suits from these materials will be appropriate for all but the most formal occasions, and look the part.

—Prices very fair this season.

—Drop in and make your selection now.

—Be ready for the coming warm days.

DECORATION DAY PLANS AT MURRAYVILLE

American Legion Post Has Arranged Program—H. H. Bancroft Will Deliver Address.

Members of Murrayville Post, No. 311, American Legion, are completing arrangements for Decoration Day. As the 30th falls on Monday, and it being a very busy time, the Post has been fit to carry out the program on Sunday, May 29th.

With the weather permitting the speaking will be held in the Murrayville park, beginning at 2 o'clock and the balance of the services at the Murrayville cemetery. In case of a continuous rain the program will be held in the M. E. church.

Since the Murrayville Post is made up of Woodson and Murrayville boys, and the graves of the soldiers of the Civil War and those of the late war are so widely scattered, in order to reach all of them a plan has been decided on, for a group of ex-soldiers to visit each cemetery on the morning of May 29th and

decorate the graves of the veterans.

After the program in the park, a line of march will be formed and proceed to the Murrayville cemetery where a plot has been secured and dedicated to the memory of the soldiers who fell and are buried in France. This plot will be decorated and the usual ceremony will be carried out.

The Post feels gratified at being able to secure Mr. H. H. Bancroft of Jacksonville for the speaker of the day and the Woodson band has kindly consented to furnish the music. Special committees have been appointed to further these plans and if any citizen should have any suggestions they will be kindly received by any member of the post.

We received from our New York representative a complete assortment of Summer trimmed Dress Hats and Nobby Sport Hats. The qualities and models of these hats you will at once admire. See us before you purchase.

VARIOUS PROGRAMS AT BLUFFS SCHOOLS

Eighth Grade Commencement Held Wednesday Evening—Class Day Exercises Tomorrow—Other Bluffs News.

Bluffs, May 20.—The Eighth grade commencement was held in the opera house Wednesday evening. The stage was prettily decorated with potted plants and ferns and the class colors of white and green. The graduating class consisted of twelve boys and five girls whose aim it is to enter school in September to complete the regular high school course. A splendid address was delivered by the Rev. Mr. Pontius of the Christian church of Jacksonville.

Class day exercises of the community high school will be held at Lewis opera house Monday night with the following program:

Music — Selected — Orchestra.

Presentation of class gift — President of Senior class.

May song—Girls Glee club.

Presentation of cane — Vera McCaleb.

Music — Selected — Orchestra.

Play — Mrs. Oakley's Telephone.

Cast of Characters.

Mrs. Oakley, a bride—Mabel Haley.

Constance, her friend—Vera McCaleb.

Mary, the cook—Zela Mueller.

Emma, the maid — Minnie Rauff.

Baccalaureate services will be held at the M. E. church Sunday evening for the senior class and also the eighth grade. The regular commencement exercises of the community high school will be held at the Lewis opera house Wednesday evening.

Mrs. Wm. Vannier and Mrs. John Adkins entertained Wednesday evening in honor of the Eighth grade and the following teachers: Supt. O. V. Walters, Prin. Ross Nichol, Misses Nora Dollaire, Norma Perbix, Fern Crabtree and Helen Dinsmore.

The rooms were decorated in the class colors of white and green with potted plants, cut flowers and home grown roses. At a late hour a two course lunch was served by the hostesses assisted by Misses Helen and Pearl Rockwood.

Miss Nora Dollaire left Friday evening for a brief visit to Champaign.

Mrs. Sullens and family who have charge of the Ballard and Johnson hotel have returned to their home in Decatur. H. C. Court of St. Louis has arrived to take charge of the business.

Decoration day services will be in charge of the American Legion boys.

Mrs. E. L. Kendell has returned from Springfield where she has been the guest of friends.

Mrs. John Stickler and daughter left Tuesday for a visit with relatives at Canton.

Miss Lottie Finney has returned from Omaha, Neb., where she has been visiting for several months.

Miss Cleo Bergner has returned from Chillicothe to spend her vacation. She has just closed her second successful term of school near that city.

ARE POWER TOOLS AN EXTRAVAGANCE?

With the low price for horses and horse feed, also crops produced which curtail the purchasing power of the farmer, the question arises, "Can we afford a power machine?" This is an argument for power tools.

It is a well known fact that the average yield per tilled acre in our country is very much less than in other countries that have less fertility. The American farmer has been handicapped by the high cost of labor in comparison with labor in other countries. This also was true of the factories until we as a people reduced our cost of manufacturing by increasing our machinery. Oftentimes a practically new machine will be discarded and scrapped and a new improved machine introduced that will save one man's labor expense at one certain piece of work and reduce the cost of the finished product to the extent that the machine is counted a profitable investment and is soon paying its way.

The principal problems confronting the farmer today are the same as those in all other industries and they call for business judgment to be solved profitably. For illustration: If you can procure a machine that will replace your team, three teams and their equipment, also the labor expense and keeping of two men, it would pay you to do as a factory does with out-of-date machines—scrap them. Put the teams in the boneyard if nothing else as the saving in time and labor will very shortly pay big dividends on the investment. Just think of the dollars lost by poor cultivation, brought about by more reasons than one, particularly on hot days, we slow down, allow the horse to lag, the driver becomes discouraged and tired trying to push the team along.

We lack five or ten acres of finishing a field just for the reason that it was too hot and the work too tedious for the teams. We are kept out of the field by a heavy rain which comes up during the night and possibly are kept from work in this field for two or three days. The loss which is caused right here oftentimes would pay the entire cost of a motor tool as you will lose from ten to twenty bushels per acre and this is not a thing that does not often happen.

American farmers are firmly convinced that in order to obtain the best results, the land should be plowed early in the fall, especially, wheat and oat stubble should be plowed immediately after removal of the grain. Ninety nine times out of every hundred the farmer expressed determination to plow a little deeper than formerly but if the weather remains hot and dry, the task becomes very severe upon the horse and as he becomes heated and the load heavy, we lift the plow out notch by notch or worse still, quit plowing entirely awaiting the rain. Then, right then, we lose in a forty acre field by the crop to be sown the next season, enough in less production to pay extra big dividends on our investment if we had purchased a motor tool.

It is a proven fact that with a tractor you do better, quicker, more efficient work at a greater saving in cost than it is possible to do with the horse. A great many people figure the tractor as a fad but look back to the olden days on what we now term practical, necessary tools. Remember the experience of the sewing machine, the experience of the binder and the experience of the threshing. If it were not for power machinery when it comes to threshing grain, we could not thresh out enough grain by working the present force the entire year, to keep us from starvation. The cost alone of the threshing would be more than the price now obtained for the grain threshed.

The motor tool question, the tractor and the motor cultivator, will be settled by the successful farmer. It is the man with vision that forges ahead and makes this old world a fit place to live in for the rest of us. It is the man that figures close and produces more at a less cost that gets the profit when products are cheap while the other fellow claims he cannot make any ends meet.

Now is the time to curtail with the running expenses, all the unnecessary expense, the expense which does not make the profit and it is also the time to obtain the improved machine—one that will pay for itself and help you produce more and make you a profit. In this way and in this way only, can you expect to meet your competitors, sell your goods at the price he makes and make a profit.

Bathing, boating and dancing. Batholomew beach Kampsville, Ill.

BUILDING LINES TO LIGHT VILLAGES

Poles are being placed along the highway for the power line of the Arenzville Power Co. Authority was recently given by the state utilities commission for the building of a line which will connect Arenzville, Concord and Chapin. The line will be built to the corner of Sandusky to Walnut street in this city and will be sold to the Arenzville company by the Jacksonville Railway and Light company.

Excellent materials have been purchased for the construction of this line and it will be of the most approved kind.

MURRAYVILLE TO HAVE RECREATION CENTER

American Legion Post Plans for New Park—Half of Money Raised for Purchase of Ten Acre Tract.

Murrayville post of the American Legion has plans well under way for the establishment of a park and recreational center. The project took form several weeks ago when a committee was appointed to make preliminary plans. The work has progressed to such an extent that a tentative agreement has been made with the Masters estate for acquiring a ten acre tract of land just adjoining the northwestern limits of the village.

It will be necessary to raise a fund of \$4,000 to put thru this laudable project and the members of the Legion already have half of this amount subscribed. To obtain the remaining fund subscriptions are to be sought but so much interest has already been shown in the project that the ex-service men believe that they will have little or no trouble in securing the necessary sum.

The tract of land is admirably located and the intention is to build a park and recreational center which will be a real asset to the community life. It will be a park for all of the people without regard to age or financial standing. There will be no sectional or divisional lines and the project when pushed to completion is expected to draw the people from every part of the county than they have been before.

Members of the committee which has been active in promoting this project represent both the ex-service men and the citizens generally.

This committee includes W. E. Wright, James Lawless, J. H. Spencer, Chester Colton, Maurice Welsh and Archie Stansfield. It is not surprising that the people of Murrayville are evincing a great deal of interest in this project, for they have long felt the need of adequate park facilities. Under the present plan they can secure a park and recreational center and at the same time pay some special honor to the ex-service men of their own community. There are between 50 and 60 active members in the Murrayville post.

TOBIN'S HOME RUN HELPS BROWNS TO WIN
St. Louis, Mo., May 21.—Tobin's home run in the right field bleachers in the 8th inning with Gleason on base gave St. Louis two runs and a four to two victory over Washington today. It was the first instance here this season where the rule giving a batter a home run after the game was won, was applied.

Wash. ... 000 000 110—2 7 2
St. Louis ... 000 100 102—4 11 2
Mogridge, Acosta and Gharitty, Palmero and Severeid.

WOODRUP BEATS OLD ROSEBUD'S RECORD
Louisville, Ky., May 21.—Old Rosebud's record of 2:00 2-5 seconds, established when he won the Kentucky Derby on May 9, 1914, was lowered one-fifth of a second today when Woodrup, an outsider in the race, won the Kentucky handicap for three year olds and upwards.

Separated or Insulated

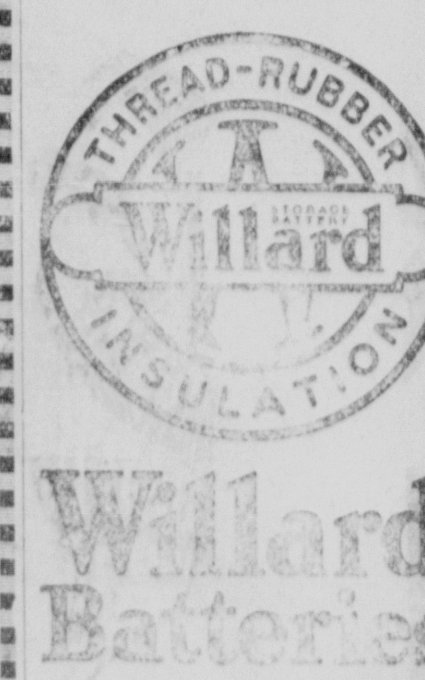

The plates in your battery may be merely separated or they may be insulated.

If insulated with Willard Threaded Rubber Insulation, your old-time wood-separator battery worries are over.

It's a satisfaction to know that Threaded Rubber Insulation does not puncture, check, warp, crack or carbonize—

No bills for wood-separator replacement with the Willard Threaded Rubber Battery. Threaded Rubber Insulation outlasts the battery plates.

Kilduff	2b 4 1 2 6 1 1
Taylor	c 3 1 2 1 2 0
Grimm	p 3 1 2 1 2 0
Mitchell	p 1 0 0 0 0 0

*Batted for Glazner in 7th.
*Batted for Zinn in 8th.

Summary.
Two base hit, Skiff, Carlson. Three base hits, Maranville, Cutshaw, Tierney, Grimm, Johnston. Stolen base, Johnston. Sacrifices, Tierney, Grimm, (2); Olson, Griffith. Double plays, Maranville and Grimm. Left on bases, Pittsburgh, 7; Brooklyn, 4. Bases on balls, off Glazner, 1; Grimes, 2; Mitchell, 2. Hits off Glazner, 10 in 6; off Grimes, 9 in 7; off Carlson, 1 in 2; off Zinn 1 in 1; off Mitchell, 5 in 2. Hit by pitcher by Glazner (Myers). Struckout, by Grimes, 4. Wild pitch Glazner. Winning Pitcher Zinn. Losing Pitcher Mitchell. Umpires Rigler and Moran. Time 2:15.

ANNOUNCE PROGRAM ON TRACK MEET

Chicago, May 21.—(By A. P.)—The committee which is managing the National Track and Field meet to be held in Chicago, June 13 announced the following program of college championship events: 100 yard dash, 200 yard dash, 440 yard run, 880 yard run, one mile run, two mile run, 120 yard high hurdles, 220 yard low hurdles, running broad jump, running high jump, pole vault, 16 pound shot put, 16 pound hammer throw, javelin throw, and 3000 meter.

The winner of any one of these events will be the recognized college champion of the National Collegiate Athletic Association for 1921. With this honor as a goal, the college athletes from every section of the United States are in training for the meet.

The Drake relays demonstrated that the middle-west will be able to nominate some athletes of class for the national meet. Webb begins and Yates all ran the half mile in 1:56; Bretana ran the 440 in :49 and Watson the mile in 4:26. Wright won the high hurdles in :15-2-5; and Deering the hundred yard dash in :10. All of these men, it is announced, will compete in the national meet.

MINNESOTA WANTS GOOD FIGHT SONG

Minneapolis, Minn., May 21.—A rollicking vigorous fight song for the University of Minnesota is sought in student competition as a substitute for the slow, majestic "Minnesota, Hall to Thee." The contest is under supervision of the board of governors, and a prize of \$50 and a loving cup will go to the author of the accepted song.

Chicago, May 21.—Home run Baker, third baseman for the New York Yankees, turned on his right ankle today, while running for a fly in the game against Chicago White Sox and had to retire.

"MICE AND MEN" TO BE GIVEN TUESDAY

J. H. S. Seniors Will Present Play at Opera House—Cast Announced.

Final rehearsals for the high school senior play, "Mice and Men" will take place tomorrow under the direction of Miss Edna Agar. The play will be given at the opera house Tuesday evening, and from all indications promises to be one of the best the high school has staged. Following is a synopsis of the play and the cast of characters:

Time—Present.
Place—Hampstead, England.
Synopsis of Scenes.
Act I. Mark Embury's Study.
Act II. Two years later. A room in Embury's home.
Act III. Same night. Masquerade ball at Belsize.
Act IV. Garden by the new cottage.

The Cast.
Mark Embury, scholar, scientist and philosopher—Neil Sanders.
Rodger Goodlake, Embury's friend—Paul Gard.
Capt. Lovell, Embury's nephew—Ollie Parker.
Sir Henry Trimblestone, a butterfly-man—Edward Alexander.
Peter, Embury's servant—Lealand Perbix.
Kit Barniger, fiddler and dancing master—Frank Cohen.
Peggy, Embury's ward—Garneda Phelps.
Joanna Goodlake, wife of Rodger—Helen Baker.
Mrs. Deborah, Embury's housekeeper—Gladys Ruylo.
Matron of Foundling Hospital—Margaret Heaton.
Beadle of Foundling Hospital—Warren Hoagland.
Mollie, pastry cook—Thelma Pires.
Orphans—Carol Lander, Garneda Phelps, Leta Rhodes, Pauline Hankins, Eunice Harley, Gladys Wintler, Ellen Cruzan, Thelma Pires, Ruth Bradley, Margaret Kamm, Dorothy Dods-worth.

Masqueraders—Kenneth Barton, Carol Lander, James Phillips, Gladys Wintler, James Wood, Leta Rhodes, Henry Struck, Eunice Haerle, Otis Smith, Pauline Hankins, Palmer Schiele, Ruth Bradley, Carl Sandberg, Ellen Cruzan, Harold Cockin, Margaret Kamm, Albert Hickox, Margaret Heaton, Eugene Dart, Dorothy Dods-worth, Howard Nicol.

The Story.
Mark Embury, a middle aged, scientist who was once crossed in love decides that it is his duty to love his closest friend, Rodger Goodlake of his intentions of rearing an orphan to his own ideals of a future wife.

After two years he finds that he is madly in love with his young ward, but when he purposes, he is misunderstood. Peggy thinks he is talking for his nephew whom he has sent to Ireland to escape love affairs with Joanna, Rodger Goodlake's wife.

On the return of the nephew, he discovers the young "people's" secret and learns that "the best laid plans of mice and men gang aft a-gley."

KNOW the difference
— between ordinary kinds of aluminum and "Wear-Ever."

This Special Offer is made so you can see for yourself that aluminum utensils are NOT all the same.

"Wear-Ever" utensils are made from thick, hard, cold-rolled sheet aluminum—metal which again and again has been passed through gigantic rolling mills and subjected to the pressure of huge stamping machines.

Social Events

Entertained in Honor of Children's Birthdays.

Mrs. Paul Vieira and Mrs. Henry Souza entertained about thirty five little people Friday afternoon in honor of the birthdays of their daughters, Katherine and Bernandine. Katherine being 5 years old and Bernandine 4 years old. The two little girls received many lovely presents. Music and games were enjoyed. Prizes were won by Mildred Scott, Dorothy Fernandes, Billy Souza, Everett Scott, and Dorris Hoffman. Late in the afternoon delicious refreshments were served, and the little guests departed wishing the little girls many more birthdays.

Entertained For Sigma Phi Epsilon.

Mrs. E. P. Brockhouse, Mrs. George S. Rogerson and Mrs. H. C. Woltman entertained at the home of Mrs. Brockhouse Saturday afternoon in honor of the members of Sigma Phi Epsilon society of Illinois College and honorary members. The affair was a 4 o'clock tea and proved a most pleasant social event.

During the afternoon an informal program was given by several of the girls. Miss Irma Bower gave a reading. Miss Alice Lucille Spann played and Miss Josephine Conboy sang.

The Brockhouse home was beautifully decorated with May flowers, flags and roses. Pink was the prevailing color in the dining room.

The hostesses were assisted by Mrs. Edward Tomlinson, Mrs. Robert Capps, Mrs. George Merrill, Mrs. John L. Johnson, Mrs. William Wilson, Miss Edna Hackett and Miss Catherine Carter.

Boys' light color wool suits all sizes, \$18.00 values, for \$10.00, at MYERS BROS.

LINTON REVIVAL BIG SUCCESS

Will Hold Four Services at Linton Revival in Alexander Today.

Revival meetings that are stirring the community more than any other revival in the past eighteen years, are being conducted by Rev. D. C. Linton at the Alexander M. E. church. At the meetings held this week there was an average attendance of 500 a night, a record breaking crowd. In the weeks just past Rev. Linton made 49 converts, among them an old gentleman over seventy years of age.

This morning a preaching service will be held at 11 o'clock in the tent. Subject, "Forgiveness," by Rev. Linton.

In the afternoon Everett Clampt will talk to men only on the subject "Chickens go home to roost." This service will be in the tent. At the same time, Sunday afternoon Rev. Linton will preach in the church to women only. The subject will be "The Woman who dared."

Sunday night the subject will be "The New Birth." The service will be held in the tent and a large choir of thirty voices will furnish music. Big delegations from the churches of Durbin and Providence are expected. Rev. Linton will be assisted at the services by Rev. Abbott, Everett Clampt and H. C. Busby of Jacksonville.

At some of the services this week Mrs. Beulah Coddington of this city will sing.

New shape child's straw hats, 75c to \$2.00. MYERS BROS.

FUNERAL NOTICE

Funeral services in memory of Mrs. John Burkley will be held at 8:30 Monday morning at the Church of Our Savior. Burial will be made in Calvary cemetery.

PATRIOTIC PROGRAM THIS AFTERNOON

Public Invited to Americanization Day Exercises at the Opera House

The committee on Americanization Day have completed their arrangements, as this program shows:

Hon. Thomas Worthington will preside and the main address of the afternoon will be by Adjutant General Frank S. Dickson of Springfield.

The program will be as follows:

Orchestra.
Invocation—Rev. J. F. Langton.
"America".

The Spirit of the Flag and Flag Presentation.
"Star Spangled Banner."

Presentation of new citizens — Prof. C. Spruit.
Welcome to New Citizens — Mayor E. E. Crabtree.

"America Triumphant" — Glee club of Illinois Woman's College, Miss Louise Miller, director.

Address — Adjutant General Dickson.
"Battle Hymn of the Republic."

Benediction—Rev. Father Cahill.
Orchestra.

Word was received Saturday that Adjutant General Dickson would be here as arranged. The committee on decoration has been hard at work, and produced an attractive effect. The orchestra will lead the music generally, and the Woman's College Glee club, under Miss Miller's direction will add the charm of their voices.

Arrangements have been made for the presence of candidates for the suffrage, both foreign and native by birth, men and women. These will be guests of the city on this occasion, and will be directly addressed by the mayor.

Veterans of all the wars will be present and all good Americans should be.

TO ICE CONSUMERS
The sudden coming of hot weather made heavy demands on our ice department Saturday. Additional workers will be on duty Monday and patrons are assured prompt attention.

We have the output of the ice plant of the Railway & Light Co. located on Anna street, one-half block west of Main street. It is open day and night. Ice can be secured at the platform there in exchange for cash or coupons.

Persons living in the country can secure books at our office or at the plant. The price at the platform is somewhat lower than for the delivered product. We solicit patronage and will seek to render satisfactory service.

WALTON & COMPANY
Phones 44

"PRUNELLA" PLEASED LARGE AUDIENCE

"Prunella," a fantasy by Granville Barker and Lawrence Tarsman, was presented on the campus of Illinois Woman's College Saturday night. A large audience assembled and found as a result of the stage setting a scene from Holland delightful to the eye. Miss Constance McCammon, head of the department of expression, had directed the rehearsals for Prunella and the success of the production gave ample proof of the excellence of her work and the ability of those in the cast.

Miss Mehue of the college of music had arranged a special program and the college orchestra added in a very material way to the success of the whole presentation. The lighting, costuming and all stage effects combined to make an artistic whole which the audience thoroughly appreciated.

RETURN FROM THE STATE ENCAMPMENT

Mrs. Charlotte Gray and Mrs. Angie P. Weber have returned from the state encampment of the G. A. R. and Woman's Relief Corps which was held in Galesburg this week. They were delegates to the W. R. C. meeting.

Mrs. Nellie Wilkinson was named president of the Department of Illinois. They report one of the most successful and interesting meetings ever held. The people of Galesburg did everything to make the stay of the visitors pleasant. There were 175 automobiles in the parade on Wednesday. The next encampment will be held in Alton.

SUNDAY MORNING, MAY 22, 1921

HIGH SCHOOL BUILDING MODERN IN EVERY WAY

General Description of the Structure Which Will House Jacksonville's High School—Many New Features Are Found Throughout.

The new high school building rapidly approaching completion.

tion and a general description of its interior will be interesting.

The large front entrance is well planned while above the door are two J. H. S. monograms in accordance with the wishes of so many citizens. One especial feature worthy of consideration is the design of the front or south side. Instead of being one straight line, so much like a factory there is a recess affording better lighting to adjacent rooms, a bit of grass plot in front of the building adds a far better appearance generally.

First Floor.

The first floor is devoted to general science, cafeteria manual training and girls' physical training.

A suite of rooms devoted to biology, agricultural department zoology and botany and in addition a general science lecture room.

In the center of this floor is a large cafeteria where pupils may secure a warm lunch and at any time a pupil may bring a parent or member of the family along for a lunch. There are in connection with this an ample ice-box, three kitchens and the walls are finished in white enamel.

Next comes a general store room, a janitor's room and under the stairway is the fan room for heating and ventilating purposes.

In the west end is the girls' gymnasium and training room and adjacent to that are the shower baths and dressing rooms. Under the light walls are the locker stacks and also some built into the roof. On the east end is the same arrangement for the boys. North of the girls' gymnasium are manual training rooms, a shop for wood work, one for metal work and a larger one for general machinery. Near by also is the mechanical drawing room and in connection a wash-room with eight bowls. Then along side of the manual training room are tool room, lumber room and finishing room.

Second Floor.

The chief attraction on the second floor is the fine auditorium seating a thousand persons, sloping floor so that all have a good

REV. MANNING CONSECRATED BISHOP OF NEW YORK AND FAMILY WHO ATTENDED CEREMONIES: Reverend Thomas William Manning, (with book in right hand) about to enter the cathedral of St. John the Divine, formerly rector of wealthy Trinity church. Inserted, Mrs. Manning and their two daughters.

view of the stage. It has a commodious gallery and a large stage with side entrances.

There are four exits, two to each end of the building and a rear exit from the stage. The general arrangement of the important part of the building is very good. Other features of the second floor are offices, two study halls, secretary's room, library, two rest rooms and recreation rooms.

South of the auditorium are the office of the board of education with fireproof vaults for records, superintendent's office, general and private.

At the east end are two study halls with ample light; also men's faculty room.

At the west end are two girls' rest rooms, women's faculty rooms, janitor's place for depositing rubbish and slops.

On this floor too are the high school principal's main office and private room. At the west end is a study hall. On the west end is the library room, in fact, two rooms connected with latest improved folding doors for stack and one for reading; all well-lighted. Recreation rooms are also on this floor. On the north side is a new idea and well worth attention. It is a small music room with a little stage where pupils may practice for any public event. There is also a dressing room adjacent to the stage and for larger events both music room and dressing room may be used and on the east side of the stage are two other rooms.

Third Floor.

The third floor is mainly devoted to business department, physics, chemistry, home economics and two large mathematics rooms. On the south side is the physics and chemistry department with suitable rooms, apparatus and general outfit.

On the east end is the commercial department; typewriting and stenography rooms, bank and general offices, bank and lecture room. Here too is the entrance to the balcony or gallery of the large auditorium.

The west rooms are devoted to home economics, fabricating, laundry, sewing, dressing, fitting and millinery rooms. Here too are rooms devoted to home furnishing. Students are in one room and adjacent, connected with folding doors is an apartment which may be fitted as a dining room, sitting room, or bedroom before the class.

On this floor, too, is a kitchen where practical cooking is taught and a small room which may be used as a lunch room in which pupils may eat what they bring or get from the kitchen.

The large mathematics rooms have been mentioned.

General Features.

The building is practically fireproof with floors like stone, stairways indestructible and brick walls.

Each floor has a toilet, offices, study halls, special department rooms and apartments in general each have own toilets.

The heating is known as the split system. Ventilating fans supply most of the hot air while in addition there are registers or coils on each floor to insure heat enough when the wind is contrary or for any reason the fans don't operate.

Practically each office and suite has its own closet for hanging wraps or other purposes.

There are ample exits in case of fire or alarm.

The connecting courts from the main building to the David Prince are large, fireproof and convenient, well lighted and ample.

The windows are so constructed as to be air tight in winter and can be turned into the building so that a man may stand on the floor or on a chair inside and wash both sides of the windows.

Drinking fountains are on each floor.

Each floor is provided with fire protection, hose and apparatus.

Cocoanut Squares, all flavors, special 29c pound.
PRINCESS CANDY CO.

Forceful Facts Concerning the Interests of Former Soldiers, Sailors and Marines.

France has 50,000 well-trained troops bordering the Ruhr region in Germany.

The American Army on the Rhine is called the "Millionaire Army of the World."

In France and Belgium there are 3500 cemeteries in which the bodies of British soldiers are buried.

Five hundred American soldiers who married Europeans in the Rhineland territory have been ordered home.

In the French army a private soldier receives 75 centimes, a day and a sergeant 2 francs.

The Federal government is paying nearly \$1,000,000,000 a year to 22,000,000 holders of Liberty and Victory bonds.

There were twelve young Americans killed in France while flying with the Lafayette Escadrille during the World war.

The Grand Army of United Veterans in Canada claim a membership of 70,000 in the Dominion and 30,000 in the United States.

Practically all commissioned officers of the National Guard of the United States, entitled to benefits of the Federal soldiers' bonus, as of January 1, 1923, will be 4,546,658.

Over ninety per cent of all the money collected by the U. S. government is spent to defray the costs of past wars or in preparation for future wars.

Turkey has a regiment of 1800 women. The flag of the regimental commander bears the inscription "First regiment of women in independent Turkey."

Governor Small, of Illinois, recently signed the soldier bonus bill providing \$15 a month. This bill will be put to a vote of the people in November, 1922.

The American flag should be flown on Washington's birthday, Lincoln's birthday, Mother's Day, Memorial Day, Flag Day, the Fourth of July and Armistice Day.

The Austrian government has decided on a grant of 50 pounds for each year of active service to Australians, including nurses, who enlisted in the Imperial Army.

According to the ration costs for March, in which 38 cents was spent per head per day in the army and 60 cents in the navy, sailors eat nearly twice as much as the soldiers.

In Canada 25,500 ex-service men have thus far taken up farms under the Soldiers' Re-establishment Act. The total acreage of land by the soldier settlers is at least 3,355,000 acres.

Future armies of the United States will carry banners emblazoned with shields, dragons, crosses, crests, and all sorts of other heraldic emblems which have come down from the middle ages.

In Quartermasters Corp of the United States army, 499 different kinds of civilian positions listed are to be consolidated into 125. The same job will no longer have two or more different names.

Great Britain has more than 25,000 ex-service men in training at various occupations. The men receive a minimum allowance of 40 shillings a week, with extras according to the number and character of dependents.

At a sale recently advertised in Berlin, Germany, announcement was made for the disposal of the famous statue of General Hindenburg, in which patriots drove millions of marks' worth of nails, including one golden one by the Kaiser.

Because of the many errors in the first "slacker" list recently made public, which is said to have caused great injustice to

men who were in the service, many protests and severe criticisms are now pouring into Washington from all parts of the country.

A conference will shortly be held in Europe between the representatives of the British, French and Belgian War Graves Commissions and German representatives with regard to the treatment of German graves in allied countries and of allied graves in Germany.

Horse-drawn vehicles of 16 U. S. National Guard infantry divisions and two cavalry divisions are to be replaced by army motor equipment. The list includes 4974 passenger cars, trucks and motorcycles, and 1060 trailers.

Invitations have been extended by the American Legion to Field Marshal Haig and Admiral Beatty, in England, to attend the next annual convention in Kansas City, Mo., on October 31, November 1 and 2. President Harding and Marshal Foch are expected to attend.

In Belgium, two aviators were killed recently during the unveiling at Bruges of a memorial to airmen killed in the World war. They were flying above the crowd, and when they descended to drop flowers on the monument the machine crashed and burst into flames.

Among the organizations represented in "The Woman's Overseas Service League" a new national organization for all women who were regularly enlisted in some arm of the military service overseas are the Ex-Service Women's Overseas Legion of Seattle; the Red Cross Overseas club of Washington, D. C.; the Y. M. C. A. Overseas League club, of Chicago; the American Women's Overseas League of Minneapolis; the Women's Overseas League of Boston; the Women's Overseas League of Philadelphia and other kindred organizations thruout the United States.

WANT VIENNESE TO CARRY OWN DOOR KEYS

Vienna.—By the A. P.—The proposed law to give Viennese apartment dwellers front door keys and relieve the concierges from the duty of letting them in and out is meeting widespread opposition. Apparently the people themselves do not want it and the newspapers are unanimous against it.

It is also meeting with opposition from the insurance companies on the ground of increased danger of burglary if the watchful eye of the concierge is removed from the entrance. The Merchants' Association has made a formal protest against its passage.

The papers advance such ingenious arguments as: What can a man do if he returns home late at night and has lost or forgotten his key? What about night telegrams and doctors' visits? Must every member of the family have a key at such cost?

One paper even gravely suggests the plight of a man who might get drunk and have his key stolen.

The enormous size of front door keys here is not overlooked in the general argument and it looks as if the Concierges' Association which demands the law is going to be defeated.

American readers must remember that there is no such thing in Austria as the open apartment house vestibule with its electric bell or speaking tube to every apartment, but the massive doors with enormous locks cut the house from the street except for the janitors bell.

PEASANTS FAIL TO RESPOND TO APPEAL

Helsingfors.—(By A. P.)—The peasants of Russia have thus far failed to respond to the appeal of the Bolshevik government to sow grain to enrich this year's harvest according to reports received here. The Soviet authorities are beginning to take a gloomy view of the prospects for next winter.

Thurlow Pratt of Joy Prairie made the city a call yesterday.

John Goffinet and family motored to the city from Meredosia yesterday.

NO DIFFERENCE IN VALUE OF CORN

White and Yellow Produce Same Result When Fed to Swine Says University Man.

Urbana, Ill., May 21.—(By A. P.)—While it is too early to form staid opinions in the matter H. H. Mitchell, Professor of Animal Nutrition, University of Illinois in a paper on the merits of white and yellow corn says experiments made in practice thus far show them to be equal when fed to swine. Prof. Mitchell adds: "Among farmers frequently very pronounced opinions are held as regards the merits of white and yellow corn as a stock feed, but chemical analysis and feeding experiments have until recently failed to afford any basis for favoring one or the other colored grain."

"About a year or so ago, in connection with some feeding experiments on rats, it was found at the University of Wisconsin that yellow corn contains considerable amounts of the vitamin called 'fat-soluble A.' found so abundantly in butter, while white corn was practically devoid of this dietary factor. The possibility immediately presented itself that when fed with feeds poor or entirely deficient in fat-soluble A, white corn might be distinctly inferior to yellow corn. The only common farm animals to which such rations might be fed are swine and possibly poultry."

Last winter a feeding experiment was started at the University of Illinois to determine whether the lack of fat soluble A in white corn discounted its value as a stock feed as compared with yellow corn. Eight sows were selected and bred and were fed thruout their station and lactation periods four on white corn, four on yellow corn, bran, tankage and yellow corn bran. The sows were fed as nearly in proportion to their weight and the weights of their litters as possible, and have consumed so far closely comparable amounts of feed. The litters from the white corn sows were in every way normal, and up to the present have grown at practically the same rate as the litters from the yellow corn sows.

The condition of the sows in the two groups throughout the experiment has also been closely similar. The work will be continued with the pigs after weaning and the sows will be bred again on the same rations, and the growth and condition of their second litters followed. In this way, it is hoped to obtain fairly conclusive information on the problem under investigation. Obviously, however, it is premature to formulate conclusions now."

OPEN EVENINGS

Our greenhouses will be open evenings beginning Monday for the week. Get your plants early. Full stock.

JOS. HEINL & SONS.

ANNOUNCES TWO NEW BURSARIES

Paris.—(By A. P.)—Two new bursaries for French artists and writers to encourage talent have been announced by Madame George Blumenthal, the American founder of the American Foundation for French Art and Thought. Each of these, like the ten funds already being distributed, is for 12,000 francs yearly. They represent the income from invested funds given by Mrs. Blumenthal and other Americans.

One of the new funds, to encourage painting, is in the name of Henry K. Frick. The other, devoted to science, is to be called the "Joffre" bursary. It is endowed by an American who asked that his name be withheld.

When Madame Blumenthal made formal announcement of the extension of the Foundation's work, to Marshal Joffre, he began an expression of "gratitude." Madame Blumenthal, who is of Alsatian ancestry, replied "Monsieur le Marechal, do not speak of gratitude. We love each other, that is all."

C. E. James and family of the northwest part of the county came to the city yesterday.

Earl Brackett was up to the city from Meredosia yesterday.

DECLINES TO SUSPEND PROGRAM

Allahabad, India.—(By A. P.)—Mohandas Karamchand Indian Nationalist leader has declined to suspend his program for non-cooperation until the Earl of Reading, the new Viceroy, has had time to study the Indian situation.

The request for suspension of the Nationalist program was made by M. Razza, member of the Council of State.

All blame for any disorder that

may arise is cast on the government by M. Ghandhi who asks M. Razza to address his appeal "to the officials who are provoking the people and creating alarm in the country." Ghandhi says that "what disturbance there is, is either fomented by the authorities or the situation is so mis-handled as to give rise to bloodshed."

Louis Hall of the vicinity of Buckhart was a caller in town yesterday.

Well Known Business Man Relieved From Foot Suffering

A Small Investment That Paid Big Dividends

The following is taken from the April number of The Foot Specialist and Practipedit, a magazine of education and instruction in the art of treating foot ailments.

About six months ago one of the well known business men of Jacksonville, Ill., rode up to the store of Hopper & Son, shoe merchants. He was met at the door by J. Lloyd Read, Practipedit, who soon learned he suffered great pain in his feet.

Upon going over the feet carefully, it was found that the third and fourth metatarsal heads had fallen. He was quickly fitted with a pair of Dr. Scholl's Anterior Metatarsal Supports and sold the "3" Necessities with an admonition to return in ten days for final adjustment.

The lowering of the metatarsal heads had caused a very thick callous on the soles of both feet which was at once relieved and now the gentlemen is

able to do without his supports, even though his work requires constant standing. In fact, he himself, declares he would not have missed the relief they gave him had they been \$100.00 a pair.

This is only one of the instances where Mr. Read has succeeded in relieving severe foot troubles and he is to be complimented on his earnest endeavors, and on the publicity the firm gives in moving pictures and newspaper advertising.

New Home Sanitarium

Incorporated

A Private Surgical Hospital
Thru its Public Health Department Says:—

We Are Dying Too Fast

"WE ARE DYING TOO FAST." I refer to the people past 45 years now. It required years of agitation to wake the people up to the necessity of "SAVING THE BABIES" when 3 out of every 5 were dying from preventable diseases before the first year of age.

About Tuberculosis

Tuberculosis mortality has been materially reduced in the last ten years because of education—better home life, better foods—which are the real preventatives after all. Yet we in this county have spent \$104,000 to prevent its ravages, not a patient treated and asking for more. If we are not careful our efforts will prove more burdensome than beneficial to the community. But what about the fathers and mothers who are an asset to the

world? We have forgotten the importance of saving the bread winners and society builders in our enthusiasm to pay attention to the "Expensive Side of the Health Crusade," yet such progressive diseases of the heart, kidneys, hardening of the arteries and apoplexy are killing our men over 45 in proportion 2 to 1 over tuberculosis and yet who notices it? What are we doing to stop this condition? Yet all these diseases are for most part preventable.

High Blood Pressure Toll

Since we last called your attention to "High Blood Pressure," and diseases causing it you have no doubt taken notice of the many here in our community who have paid the Final Tax for allowing these diseases to develop in their bodies. Let me say to you that if we are to keep up the population without a majority of foreign stock we must save the fathers and mothers. The proud families of 8 to 15 children are no more. Families of one or two children and many times none marking the end of such families are too often the case. Dr. Dublin, the great investigator of New York, says that for the average man and woman regardless of the race or station in life the lesson to be drawn from the present agitation concerning the fate of human bark in mid-channel is that watch and guard should be kept closely on slight disorders, and that regular examinations of ones physical condition will result in prolonging our stay on earth before degenerative diseases get a hold upon the system. The love of self is not so vile a sin as self-neglect. (Shakespeare.)

You will find at the New Home Sanitarium the apparatus and methods for detecting these conditions before it is too late. Examinations twice annually will do it.

A. H. KENNIEBREW, M. D.
Surgeon in Charge.

Tuberculosis Sanatorium Catechism

(Prepared by the Publicity Committee of the Morgan County Anti-Tuberculosis Society.)

What is the purpose of the Morgan County Tuberculosis Sanatorium Fund?

To cure and prevent the spread of tuberculosis, a disease which kills more people directly and indirectly than all other contagious diseases combined.

To PROTECT every person in Morgan County—34,200 people—from this communicable disease.

Where is the Tuberculosis Sanatorium?

One half mile east of Jacksonville.

To whom does the Tuberculosis Sanatorium belong?

It belongs to the people of Morgan County.

Who may have the benefits of the Sanatorium?

The benefits of the Sanatorium are free to any person living in Morgan County who is suffering from Tuberculosis in any form—just as our public schools are free to any child living in Morgan County.

May persons outside of the county be treated in the Sanatorium?

Yes, if there is room and they pay for care.

About what amount will be necessary for running expenses per year?

Probably below a mill tax. This cost depends upon many conditions, mainly the cost of living and the proportion of patients from outside the county.

What amount has been put into the construction of the building and in land?

There has been put into the building—ready to furnish for 40 patients—and the land—60 acres—about \$110,000.

What have some other Illinois Counties put into their Sanatoria?

Adams County, for building for 28 patients and 10 acres of land, approximately \$100,000.

McDonough County, for building for 32 patients and 10 acres of land, approximately \$95,000.

McLean County, for building for 34 patients and 20 acres of land, approximately \$122,000.

Tazewell County, for building for 35 patients and 60 acres of land, approximately \$80,000.

Is there a need for a Sanatorium in Morgan County?

Yes. In 1919 there were, exclusive of the State Hospital, 35 deaths from Tuberculosis in Morgan County. There are 72 diagnosed cases on the records of the Morgan County Tuberculosis Clinic and these are by no means all in the County.

How many of the seventy-two need Sanatorium treatment?

Fifty at least.

Were these all the Tuberculous in Morgan County?

No. The most conservative estimates of Insurance Companies and Health Organizations count five living cases to every death and on this basis there were 175 cases in Morgan County in 1919.

Are there any Tuberculous Soldiers in Morgan County?

Yes; between fifty and sixty.

Where are our Tuberculous Soldiers now cared for?

In Sanatoria in New Mexico, Tennessee, North Carolina and Springfield, Illinois.

We voted in 1916 to levy a tax for a Tuberculosis Sanatorium. Why are we voting again?

Because the full County rate is needed for general county expenses, and a tax beyond the county rate cannot be levied without a referendum vote.

Have other counties met this same trouble?

Yes. Will, Christian, Macon and Madison have for the same reason, taken this second referendum vote and carried for the tax by large majorities.

Are we voting for an additional tax for Tuberculosis?

No. We are not voting for more taxes for tuberculosis than we voted in 1916.

What tax levy does the Tuberculosis Sanatorium Act allow?

A levy not to exceed 2 mills on the dollar.

How does our ballot read?

For an additional tax, not to exceed a rate of two mills on each one dollar, in addition to the rate now provided by law for County purposes, to be levied on all taxable property in Morgan County, as assessed and equalized for State and County purposes for the years 1921, 1922, 1923, 1924, and 1925 for the purpose of establishment and maintenance of a County Tuberculosis Sanatorium.

Against an additional tax, not to exceed a rate of two mills on each one dollar, in addition to the rate now provided by law for County purposes, to be levied on all taxable property in Morgan County, as assessed and equalized for State and County purposes for the years 1921, 1922, 1923, 1924, and 1925 for the purpose of establishment and maintenance of a County Tuberculosis Sanatorium.

The "Additional" is addition to the County rate not to the rate allowed the Sanatorium Fund.

When is the vote to be taken?

June 6th, 1921

Who may vote?

All Citizens of Morgan County.

Church Services Today

Centenary M. E. Church—D. V. Govey, pastor. 9:30, Sunday School. A. C. Metcalf, superintendent. 10:45, morning worship. Theme, "Family Religion." 6:30, Epworth League service. 7:30, evening worship and sermon by the pastor.

p. m. The pastor will give a thirty-minute lecture on the doctrine of the Presbyterian church on the "Creation of Man." The Sewing circle will meet Wednesday afternoon for work. We want forty men and ten autos to meet at the church at 1:30 to go on a roundup. Prayer meeting on Wednesday evening. A hearty welcome awaits you at Northminster.

State Street Presbyterian Church—Rev. W. H. Marbach, pastor; T. M. Toulson, Sunday School superintendent; Mrs. Barr Brown, choir leader. A hearty invitation to join in the services of the day is extended to you. Sunday School at 9:30. Morning worship at 10:25. No evening services because of the high school baccalaureate, at which Rev. W. H. Marbach will preach. Welcome.

Brooklyn M. E. Church—G. W. Randle, pastor; J. H. Reid, Sunday School superintendent. Sunday School meets at 9:30 a. m. Public worship at 10:45 a. m. and 7:30 p. m. Epworth League at 6:30 p. m.

Congregational Church—Geo. E. Stickney, minister. Church School at 9:30. Dean Scott, superintendent. Dr. Post's Bible class, 9:30. Morning worship, 10:45. Subject of sermon, "Service." Intermediate Endeavor, 6:30. Junior Boy Scouts, Monday. Campfire Girls and Boy Scouts, Tuesday. Young Woman's Guild, Wednesday afternoon. Mid-week service, 7:30 p. m., Wednesday.

Trinity Episcopal Church—J. F. Langton, rector. Prof. J. G. Ames, Sunday School superintendent. Trinity Sunday: Early service, 7:30. Sunday School, 9:30. Holy Communion and sermon, 10:45. Offertory solo, Mr. Govey. Miss Hershberger will play violin selections. Evening prayer and sermon, 7:30. Offertory anthem, "I Will Lift Up Mine Eyes," Rogers.

Salem Evangelical Lutheran Church—East College street; Rev. J. G. Kuppfer, pastor. Trinity Sunday: Sunday School at 9 o'clock. Public worship in German at 10:30 a. m. and in English at 7:30 p. m. At the morning service the Sacrament of the Lord's Supper will be celebrated. Preparatory service at 10 o'clock. A cordial welcome to these services.

Grace Methodist Episcopal Church—Thos. H. Tull, pastor. 9:30 a. m., Sunday School. T. V. Hopper, superintendent. Each Sunday there is a program of music and Bible study which none can afford to miss. 10:45, morning worship and sermon by the pastor on "The Highway of Holiness." 6:30 p. m., Epworth League meeting. Miss Edna Osborne will lead the meeting with the topic, "In School with Christ and His Disciples." This is looking toward the institute at Shelbyville. Every Epworthian should learn something of this coming event, which is of such vital interest to all our Epworth Leagues. 7:30, evening worship. "Frances E. Wierland, the Crusader," will be the subject of the pastor's address. She was one of the most widely known and best loved women in the world. It will be an inspiration to study her life history. Under the leadership of Prof. Henry Ward Pearson, you will never be disappointed with the music of Grace church. The Boy Scouts will meet on Tuesday evening at 7:30. The training class in church membership will meet on Wednesday afternoon at 4:20.

Central Christian Church—M. L. Pontius, minister. Bible School at 9:30 a. m. Ben Roodhouse, superintendent. Morning service at 10:45. Theme of the sermon, "The New Spiritual Commonwealth." Solo by Miss Louise Miller. Christian Endeavor services at 6:30 p. m. Miss Lucille Hunter will be the leader of the Senior society meeting. Miss Venita Green of the Intermediate and Miss Helen Recker of the Junior. At 7:30 in the evening the baccalaureate service for the high school graduating class will be held in this church. Rev. W. H. Marbach will deliver the sermon. Soles by Mrs. Wm. Barr Brown, Mr. Clayton Quast, and a duet by Misses Louise and Kathryn Miller. Miss Alice Mathis at the organ. The public is cordially invited to attend all the services.

First Baptist Church—If you do not find a cordial welcome at Sunday School on Sunday morning at 9:30, report the oversight to Superintendent Kopper. The latch string and glad hand will be found at the door. School days are drawing to a close. Acting Pastor A. P. Howells will speak at the morning service on "Christianizing Education." Miss Armstrong will sing. See that the clock is right, for the service begins promptly at 10:45 a. m. An extension will have to be built to the mission chapel if Superintendent Swift's Sunday School continues to grow. They will try to crowd 70 into the building on Sunday at 2:30 p. m. "My Favorite Saying of Christ's and Why," is the subject of the Baptist Young People's Union at 6:30 p. m. One hour later the minister will speak on the subject, "Half Baked Folks." This has no reference to the weather. The church is cool, the welcome warm. There were 55 at prayer meeting on Wednesday night. The subject of the next meeting will be, "Going to Heaven on an Ancestor's Religion." The chapter is John 8 and the hour is 7:30 p. m.

Trinity Episcopal Church—Miss Beatrice Hershberger will play at the morning service at Trinity church. Before the service she will play "Dreaming." J. H. T. Tertius Noble. Her postlude will be a violin sonata in E—Handel Adagio Cantabile Allegro. At the evening service the organ prelude will be "Caprice in E"—composed by Miss Anne W. Jackson.

PRESBYTERIANS TO CONSIDER DIVORCE

Will Take Up Consideration of Rule to Make it Unlawful for a Minister to Marry a Divorced Person.

WINONA LAKE, Ind.—The question of divorce will again be considered by Presbyterians, it being announced here that the Presbytery of Philadelphia has overturned the General Assembly which opens a nine-day conference on May 19, to change the Presbyterian Confession of Faith making it unlawful for a minister to marry a divorced person. The overture refers to the great prevalence of re-marriage of divorced persons and comments upon the great number of divorces "for slight and unwarrantable reasons which tend to diminish the sanctity of the marriage tie and threatens the purity of the home and is an obstacle to the growth of the kingdom of God."

After citing more instances and other grounds why divorces should be more closely guarded relative to ministers the overture comes as follows: "It shall be unlawful for any minister to marry a divorced person, other than the innocent party where the divorce has been granted upon the ground of adultery; and he shall not marry such party until one year shall have expired since the time of the granting of the decree."

MANCHESTER PLANS MEMORIAL SERVICE

Rev. L. H. Fuller of Woodson to Make Address on May 29—Other Manchester News Notes.

Manchester, May 21.—Rev. L. H. Fuller of the Christian church at Woodson will deliver the memorial sermon at the Christian church here Sunday, May 29th. This is to be a union service and everyone is cordially invited to attend.

Mrs. Hester Greenwalt has returned after spending the winter with her daughter, Mrs. Grace Knight at San Diego, Calif.

Mrs. William Greenwalt has returned to her home in Bloomington after a week's visit at the home of her son, Albert.

The Pastor's Aid of the Baptist church held a market and bake sale in Hudson Brothers store Saturday afternoon.

William McNee and family have moved from Hillview and now occupy the house owned by Mrs. Ella Watt on the west side of the square.

MADRIGAL GIVES ANNUAL CONCERT MONDAY EVENING

Mrs. Marguerite Palmer Forrester
Will Direct Program of I. W. C.
Chorus.

The annual concert by the Madrigal club under the direction of Mrs. Marguerite Palmer Forrester will be given in Music hall Monday evening, May 23, 8:15 o'clock. The club will be assisted by Frank Collins, Jr., organist, and Margaret Merker, who will play three movements of Yon's Concerto Gregoriano. The club will give as its closing number the prize cantata, "The Sleeping Beauty," by the young American composer, Frances McCollin. The admission is free and the public is cordially invited to be present.

Under the Greenwood Tree (1710-1778) Arne-Shelly
Drink to Me Only With Thine Eyes Old English
Lord and Ladies All Are We (Gavotte from Opera "Mignon") Thomas

The Gleaners Woodcock
To a Butterfly Carse
The Maidens of Sandomir from Opera "Boris Godunov" Moussorgsky
Danza, Danza (1684-1755) Durante-Taylor

Concerto Gregoriano (organ and piano) Yon
Adagio, Scherzo, Finale. Frank Collins, Jr., Margaret Merker.

Cantata, The Sleeping Beauty (Tennyson) McCollin
The College orchestra, Henry Ward Pearson, conductor, assisted by Louise Miller, soprano, will give its annual concert in Music hall on Monday evening, June 6, 8:15 o'clock. No admission is charged and the public is cordially invited to be present.

Dance, Marquette Hall Monday evening. Music Curtis Duncan Sargeant.

CONSERVATORY NOTES

There will be a students' recital on Friday afternoon, May 27, at 4 o'clock, in Recital hall. The public is cordially invited.

The Spring Festival concert will be given at the new high school on Tuesday evening, May 31.

At the Shakespeare play, "Midsummer Night's Dream," which is to be given on the college campus on Tuesday evening, May 24, the Conservatory will furnish the music. The dances will be in charge of Miss Virginia Bullard, and Misses Ellen McCurley and Virginia Spink will play the piano accompaniments. The choruses will be under the direction of Mr. Quast.

Miss Eunice Northrup of Griggsville appeared in concert as a harp soloist there on Thursday of last week.

The graduation recital, which took place in Northminster church on Friday evening, May 20, was well attended and passed off most creditably. Misses Esther Duncan, Maude E. Hart, Antoinette Gouveia and Mildred Smith received a teacher's certificate in piano; Miss Anna Frances Bradley in violin and Miss Josephine Conboy in voice; Miss Esther Duncan received also a certificate in public school methods. Diplomas in piano will be given Misses Elsa Marie Foster, Laura Jones and Martha Priest on June 15.

Ladies' and Gent's fine tailoring. Suits \$35 up. Repairing, cleaning. FRANKENBERG, N. Main

"A MID-SUMMER NIGHT'S DREAM"

Lovers of dramatic art are looking forward expectantly to next Tuesday evening when the Illinois College Dramatic club will present "A Mid-Summer Night's Dream" on the college campus. Favorable weather is practically all that remains to assure the complete success of the event. The actors and dancers have been rehearsing nightly for several weeks, and are now ready for their final performance. The names of the cast have already appeared in the Journal.

Professor John G. Ames, who is directing the production, has made a special study of the Shakespearean drama for many years, both in this country and in England, and has had wide experience as a director of dramatics. He is being assisted by Miss Lois Daniels of the college faculty.

Music will be given by the Illinois College Conservatory of Music, directed by William E. Kitch. Six dances will appear in the play. They are, in order: The forest sprites (twelve girls), the Fairies (twelve girls), the Marguerites (four girls), Solo Dance (Betty Palmer), Solo Dance (Virginia Bullard), The Bergomask (ten men). All the dancers have been trained by Miss Virginia Bullard.

Assistance in designing and making the costumes has been given by Mrs. Vore Bassett, Mrs. J. G. Ames, Mrs. John Johnson, Mrs. Robert Capps, Mrs. A. L. Adams and Mrs. Felix E. Farrell.

The play is set in Athens, and a wood near it. The action covers two days and the intervening night, most of the acting taking place in the night. No better place could be desired for the presentation of a drama of this nature than the college campus, east of Beecher Hall. The arrangement of the trees exactly suits the requirements of the play. Adequate shrubbery has been transplanted to effect the poetic atmosphere of a moonlight wood.

ILLINOIS COLLEGE NOTES

A high honor has recently come to Mary Ellen Hopper, an Illinois College graduate of last year, who during the present year has been acting as assistant to Professor Smith in the biological laboratory. Miss Hopper has been awarded a fellowship in chemistry at the Washington University, St. Louis. Ordinarily a student is awarded a scholarship which has considerably less monetary value and less honor attached to it than a fellowship such as Miss Hopper has won at Washington University.

Gratia White, a member of the Senior class, has recently been appointed to a position in history in the Charleston Illinois High School for next year. Miss Doris Shuman, who has been teaching in that school during the past year, will continue her work at Charleston.

Sarah Helen Taylor '20 was recently selected by the faculty of Illinois College for the Illinois College Graduate Scholarship at the University of Illinois. She has been duly appointed to this honor by the University authorities and will begin her work there next fall. Miss Taylor has been teaching during the past year at Coggon, Iowa. Her major is mathematics.

Professor George R. Poage, of Illinois College, who has been on leave of absence this year studying at the University of Chicago, was a visitor on the campus Friday.

Mrs. Hattie Doying of Kosciusko street recently donated several books and bound volumes of magazines to the Illinois College Library. The donation is very much appreciated.

J. T. Dorris '11 has recently been appointed to the principalship of the Community High School at Waverly, Ill. Mr. Dorris is at present principal of the Community High School at Oakland, Ill.

Professor Isabel S. Smith of the Department of Biology, went to Urbana on Friday to attend some exercises in connection with the unveiling of a portrait of Professor Isabel Bevier, head of the domestic science department of the State University. Miss Bevier is a cousin of Miss Smith.

Miss Lois Daniels '18 instructor in mathematics and physics, at Illinois College, gave an interesting lecture Friday morning at the chapel exercises, on the progress of the dramatic club. She told especially of the experiences of several members of the College Dramatic club who spent a summer at Chautauqua, New York, giving Shakespearean and Greek plays.

Fordson

For thirty-five years Henry Ford, a farmer's boy, has been working on the problem of a successful tractor for the farm, and for the past forty years has devoted much time and a vast amount of money to the development of the present Fordson Tractor. Today that Tractor is in use on nearly 200,000 farms and if you have any doubt as to the satisfaction it gives to those who are using it, call in and get the booklet, just issued by the Ford Motor Company, and called "The Tractor at Work" and read the testimony which is there given by the multitude of owners of Fordson Tractors. No evidence can be more conclusive than that of the man who actually knows by personal experience and this is the line of testimony carried in this little booklet. There is no cost for this booklet. If you cannot call for it, write, drop us a postal, and we will mail it to you without charge. It is so valuable you ought to have it because it is the open door through which the farmer will pass from the hard working drudge to the comparative comfort of the manufacturer. The Fordson makes it possible for the farmer to plan and direct, while the machine will do the work. It presents the widest latitude for the farmer to exercise his brain power and plan how he can get the most from the soil, knowing that the Tractor will do the hard work, do it better, do it quicker, and therefore do it more profitably. This means not alone in the cultivation of the soil, in the harvesting of the crops, but in a hundred and one different demands that are made for labor, cutting of ensilage and the filling of the silo; cutting of wood; operation of the washing machine; in the lighting of the house with electricity; supplying the house with running water; bringing to the farmer's wife and daughters the conveniences of the city, relieving them of much of the hard, unpleasant part of housework.

FARM BUREAU NOTES

Sweet Clover Demonstration

The Morgan county men who inspected the sweet clover field on the farms of W. A. McNeil and Joe Edwards, saw a fine demonstration of the value of limestone and phosphate in getting a stand of legume. On the McNeil near Chandlerville, 21 of cattle were not able to keep down the sweet clover on 24 acres. In the opinion of those present, the land could easily carry three head of cattle per acre. In this field the limestone and phosphate both show results, but the phosphate end of the field shows by far the most vigorous growth. Mr. McNeil does not think it practical to clip sweet clover. On Joe Edwards' farm sweet clover made a vigorous growth where the land was limed, but did not thrive where lime was not added.

Trips to Urbana.

Opportunity will be given farm bureau members to make a two day trip to Urbana on June 21st and 22nd. At present the plan is to go by auto and see intervening points on the 21st and to inspect the experiment fields and barns on the 22nd. Originally, the plan was to go by rail, but the Wabash has not quoted a rate that looked at all inviting.

Harvest Wages and Threshing Prices.

We are inviting representative farmers from every school district in Morgan county to come to the Farm Bureau office at 1:30 Saturday, May 28th and discuss what should be a fair harvest wage and a fair price for threshing grain this season. The great slump in the price of farm products naturally calls for a corresponding cut in wages and threshing prices. While a meeting of this sort can not enforce prices it will likely lead to a better understanding and less hard feelings when settlements are made.

Waverly Is Willing.

At one of the recent meetings of the executive committee, the matter of inviting Sangamon and Macoupin county to join in with Morgan in a picnic at Waverly, was discussed. The matter was presented to the business men of Waverly by W. L. Rohrer and met with a kind response. They would be very glad to have such a picnic held in Waverly and would furnish whatever part of the program they were asked to furnish. They think that some date between July 20th and 30th would fit into the local calendar of affairs very well. No action has been taken by the Sangamon and Macoupin county farm bureaus, but they will doubtless be favorable to the project.

Fair Plans Progressing Nicely

The plans for the Morgan County Fair are moving satisfactorily. In any constructive piece of work like this progress must necessarily be made carefully. The committees in charge will use every effort to make it worthy of every community.

MANY YOUNG PEOPLE
PLAN TO LEAVE CITY

Chamber of Commerce Survey Shows Many Expect to Go Elsewhere—Also Tell What They Think Jacksonville Needs.

It would appear from the results obtained from the survey made in the high school of the city by the Chamber of Commerce that a great many of the young people are planning to take up their abode elsewhere after completing their education. There is a surprisingly large percentage of the young men and women contemplating leaving Jacksonville following the close of their school career.

Out of 413 questionnaires answered by the pupils 139 are intending to leave Jacksonville. While 96 are undecided—thus making a total of 235 that are probably laying plans for future business careers and livelihoods in other places. This means about 57 per cent of the boys and girls answering the questionnaire, probably intend to leave, while the remaining 43 per cent are planning to remain in Jacksonville.

When one stops to think just what the significance of this is, it would seem that it is quite essential to take means of inducing and encouraging these citizens of tomorrow to make their homes in this city. It would be out of the question to estimate in dollars and cents just what this will mean to Jacksonville as a community—not to say anything about the greater losses that the community is bound to have, as

the result of this state of affairs.

Some of the reasons as given by the young people for leaving are: 49 are going to larger cities; 29 are going to live in the country; 28 do not like the city; 65 think there are not enough opportunities in the city, and 7 prefer a different climate.

One hundred thirty-nine students are planning to remain in Jacksonville after completing their education.

What They Expect to Do

The students were asked to designate what vocation they expected to pursue. These were listed: Army and navy 3, physical director 3, librarian 6, artists 4, domestic art 2, social welfare 3, journalism 3, drafting 4, missionary 2, doctor 4, aviation 1, chemist 1, moving picture writer 1, forestry 1, dentist 1, travel 2, architecture 2, bookkeeper 12, kindergarten teacher 2, electrical engineer 2, farming 22, wireless operator 3, clothier 1, stenographer 37, mechanic 8, banker 2, manual training teacher 1, school teacher 61, lawyer 10, nurse 11, traveling salesman 6, theatre proprietor 1, engineering 25, business women 6, merchant 1, piano teacher 3, housekeeping 1, commercial 12, carpenter 1, music 7, undecided 134.

The young people were requested further to suggest as future citizens what the chamber of commerce should undertake for the improvement of Jacksonville. These were as follows: 225 suggested improved streets; 210, Y. M. C. A. building; 185, Y. W. C. A. building; 54, cleaner streets; 49, amusement department; 35, shows open on Sunday; 32, swimming beach; 10, enforced traffic laws; 28, more street lights; 22, strong police force; 18, increased factories; 17, do away with pool rooms; 16, better street car service; 15, prohibit Sunday amusements; 14, aerial mail service; 12, tennis courts; 11, interurban to Springfield; 10, better sanitary brook conditions; 8, public ladies' rest room; 7, new park; 7, club house at park; 7, lower taxes; 6, supervised playgrounds; 6, union depot; 5, better water and drainage system; 5, new hotels; 5, improved health conditions; 5, discontinue dance halls; 4, no gambling; 4, more reasonable prices; 3, improved factories; 2, good fire department; 2, new opera house; 2, contagious hospitals; 2, improved restaurants.

On next Monday the men listed below, citizens of your community, will begin the drive to provide Jacksonville with an efficient modern Chamber of Commerce. Remember that these men are busy men, and yet they are giving of their time unselfishly. Be ready, therefore, to give them your support and co-operation in building for Jacksonville a Chamber of Commerce that is adequate in finance and man power.

REMOVING THE TOWER
Frank T. Irving, contractor, is removing the large tower on Centenary church as it has been deemed wise to remove structure entirely. A few years ago a part of it was taken down and now the rest will follow. The present style of church architecture is changing and tall cupolas or towers are not much used.

Mrs. Curtis Scott and daughter, Dorothy, were in the city from Franklin yesterday.

A FINE INVENTION

William Wheeler of Scottville was in the city yesterday to visit his wife who is a patient at a hospital here. The gentleman has secured a patent for a remarkable invention applied to automobiles. In brief, as described to a Journal reporter, the affair automatically regulates the power of the machine or engine. No shifting of levers whatever. When the car comes to a hill the power automatically increases and decreases when there is less need of it.

It is reported that Mr. Wheeler had an offer of five dollars a car royalty from a concern that makes two hundred cars a day but thought he could make more out of it himself. The reporter's informant said he had ridden in an old car to which Mr. Wheeler applied his invention and it worked perfectly. The inventor is arranging for a factory to make the appliance himself.

ILLINOIS WOMAN'S COLLEGE NOTES

The beginning class in Foods and Cookery at the college entertained the members of the Senior class, who gave a dinner in the Home Economics dining room, Saturday evening. Miss Jones and her mother, Mrs. P. G. Jones of Champaign, Miss Storrs and Miss Metling, instructors in the Home Economics department, were also guests. The Seniors are Avis Crowder, Mary Bishop, Marian Carter, Marian Caruthers, Melba Hamilton and Mildred Keys.

The dinner showed the preparation of a meal using different methods of cooking. Part of the meal was cooked in the Clark Jewel gas range using the Loraine Oven Heat Regulator, part was cooked in the Sechrist Pressure Cooker, and part in the Fireless cooker using one section for cooking and another section for freezing.

Three of the above Seniors have accepted positions for next year; Miss Crowder is to teach Home Economics at Mattoon, Ill., Miss Carter at Charleston, and Miss Hamilton at Albany, Wisconsin.

On Monday the class in cookery in the Murrayville high school, which has been taught this semester by the Seniors in the Home Economics at the

college, under the supervision of Miss Bertha M. Jones, head of the department, will complete the course by giving a dinner to which the mothers of the girls in the class and the members of the Domestic Science Club of Murrayville are invited. Through the interest and cooperation of the Domestic Science Club, the laboratory has been equipped so that it was possible for the girls to have the advantage of the course in Home Economics. There are seventeen girls in the class, Juniors and Seniors. The reciprocation between the Murrayville high school and the Home Economics department of the Woman's College has proven very beneficial to both the high school and the college.

Last Thursday afternoon Miss Mary Ellison and Miss Marian Munson, Juniors in Home Economics at the college, gave a very interesting demonstration at the meeting of the Mound Woman's club. This is a part of the class work. These students have been carrying on experiments in the laboratory using the Loraine Oven Heat Regulator and have found it a valuable help in the preparation of meals, and in producing a successful and uniform product, without having to pay attention to the heat and wondering whether it was correct or not.

Mrs. Hattie Doying has made the college library a splendid gift of eighty-eight volumes of bound magazines. This helps very materially in completing the files and the college is very grateful to Mrs. Doying for this evidence of her interest in its reference department.

In the annual report of the Illinois State Academy of Science is the paper on Bird Songs written by Miss Anne Wakely Jackson, librarian at the School for the Deaf, and read before the sessions of this organization at its meeting held in Jacksonville in 1919. The report has just been added to the college library.

The endowment campaign is progressing finely; almost every day Dr. Barker is able to report new gifts.

Senator James J. Barbour of Evansville came over from Springfield on Thursday with Senator MacMurray, and that evening made a very fine address on "Lincoln" before the students and faculty of the college. Mrs. MacMurray accompanied Senator MacMurray to Jacksonville. They were guests of the college Thursday night and Friday morning they left in their car for Quincy, where Senator MacMurray was to make a speech before the Congressional Men's Club Friday night.

Dr. Barker was in Table Grove Wednesday, where he delivered the Commencement address for the graduating class of the Table Grove high school. He will go to Palmyra Saturday evening and will have charge of the services in the Methodist church Sunday night.

The play "Prunella", which is to be given out on the college campus Saturday evening at eight o'clock under Cammon, will be one of the loveliest; the direction of Miss Constance McPherson ever presented here. This wonderful play when it first appeared in New York immediately became a great favorite and has won much fame and great success. The delightful humor intermingling with the pathos, the dances, the moonlight scenes in the old Dutch garden, and the picturesque beauty will be a beautiful memory, and the lovely songs will still keep ringing in your ears for months to come. The artistic and aesthetic beauty throughout the whole play is most charming and no one will want to miss the opportunity of seeing this wonderfully delightful play.

Mr. Metcalf has been out of the city for several days in the interest of the college.

Miss Leonora Strang of Carrollton, Ill., is spending the week-end at the college. Miss Strang is a cousin of Miss Louise Kochm.

Miss Josephine Ring has for guests over the week-end her mother Mrs. I. C. Ring and little brother of Bushnell, Ill.

Miss Ruth Hurt of Illinois is spending the week-end with her sister, Miss Lura Hurt.

WHY YOU NEED IRON

To make you strong and "brainy" and put the power into your blood to overcome disease germs

PRACTICAL ADVICE ON HOW TO DEVELOP GREAT ENERGY AND ENDURANCE

The food you eat contains carbon. When your food is digested it is absorbed from the intestines into the blood. When the carbon in your food comes in contact with the oxygen carried by the iron in your blood, the carbon and oxygen unite and by so doing they give off tremendous energy, thereby giving you great force, strength and endurance. Without iron your blood carries no oxygen and without oxygen there is nothing to unite with the carbon in your food, so that what you eat does you no good—no do not get any strength from it—it is like sitting coal into a stove without a fire. You cannot get any heat unless the coal unite with the fire.

The strongest weapon with which to prevent and overcome colds, pneumonia, kidney trouble, hemorrhages, nervous prostration, in fact almost any disease or disease germs is plenty of good, rich, pure blood, strength, energy and endurance and the greatest energy carrier in the body is iron, not metallic iron which people usually take, but organic iron like the iron in spinach, lentils and apples and like the iron contained in what is known as organic Nuxate iron, which may be had from almost any drug store.

If you have been taking metallic iron without result such is no proof that organic Nuxate iron will not help you. It is stated often in cases the strength, energy and endurance of weak, nervous, run-down folks in two weeks time. It is such an extremely valuable product that even the Food at Home wrote especially of it. It is a common-sense remedy to the Pharmacists' formula. It has been used and highly recommended by former United States Senators, members of Congress, Judges of U. S. Courts, and prominent men. It is a safe and powerful remedy. Satisfactory results are guaranteed or the money will be refunded. Sold by all druggists in tablet form only.

ASHLAND WOMAN'S CLUB HAD MEETING

Final Session of Year Held at Home of Mrs. Daisy Butler—Other Interesting News From Ashland.

Ashland, May 21.—Miss Grace Bailey of New Virginia, Iowa, is here visiting relatives. Joe Riley of Detroit, Michigan, is here visiting his aunt, Mrs. Miles Kendall and other relatives.

Mrs. Sarah Baumgartner has returned home from an extended visit with relatives at Table Grove, Ill.

The Woman's Club held their last meeting for the season at the home of Mrs. Daisy Butler. Excellent music was furnished by Misses Clarice and Helen Reaick and Mrs. Harry Lohman. A piano-lecture was given by Mrs. Lula McGraugh and a Book Review by Mrs. Louise Clemons. Delicious refreshments were served by the hostess. About fifty members answered to the roll call.

Mr. and Mrs. Henry Awalt, Mrs. J. L. Snyder and son and Miss Glenna Bailey were Springfield shoppers Monday.

Harry Way who has been in Springfield for some time came home Tuesday.

Miss Mayme Votsmier went to Springfield Monday to visit with her sister this week.

L. F. Jordan and family, Miss Zelma Hackman and Mr. Wallace of Jacksonville called at the home of C. W. Bailey Sunday afternoon.

The operetta "Red Riding Hood" which was given by the grade school Wednesday night was a decided success. About a hundred children took part and all did splendidly.

Mr. and Mrs. D. H. Bailey were Springfield shoppers Thursday. Miss Virginia Beggs and Misses Ruth Ann and Dorothy Sinclair were Beardtown visitors Thursday.

Mrs. J. S. Snyder and children, Miss Eula Bailey and Mrs. Henry Awalt and son sent Thursday at the latter's parents, Mr. and Mrs. Isaac Stout at Rock Creek.

Miss Marie Haggard was a Springfield visitor Wednesday.

Have McNamara do your plumbing work. 18 years experience. All prices reduced. Work guaranteed. Ill. Tel. 50-733.

COLLEGE OF MUSIC NOTES

Miss Beatrice Honigh will play violin solos for the psalms and postlude of the morning service at Trinity church Sunday morning.

Pupils from Miss Hay's studio will appear in recital Saturday afternoon, May 28, at 3:15. Miss Hay has had an exceedingly busy season. She numbers among her class some very talented young players and this recital promises to be of unusual merit.

Miss Avis Murphy, pupil of Miss Edith Robinson, played "Bravura Etude," Barbour, on the program of the Belles Lettres society, Tuesday, May 17.

Miss Horsburgh will play a violin solo on the commencement program of the Jacksonville High school, to be given in the new high school auditorium Friday, May 27.

At the close of school the greater number of the music faculty members will leave Jacksonville for the summer months. Miss Horsburgh, Mrs. Forrest and her daughter Marguerite will spend the summer at Camp Winnsquam on Lake Champlain, Vermont, a music and vacation camp for girls. Mrs. Forrest will be music director of the camp and will have charge of the part singing, coaching of operettas, and give instruction in voice. Miss Horsburgh will have charge of the violin study and instrumental ensemble classes.

Miss Louise Miller has been engaged for six weeks as soloist at Bay View, Mich. Mr. Pearson will remain here and teach piano, organ and theory during the summer. The time he has allotted to teaching is fast being filled up.

Miss Belle Mehus will spend a portion of the summer on the road for the Aene Chautauque company of Des Moines, and the remainder of her vacation she will study in Chicago.

Miss Lula D. Hay and her mother will spend the vacation at Bay View, Mich., where they have a summer cottage.

Miss Myrtle Larimore will continue her teaching here for a part of the summer and spend the remainder at Bay View, Mich.

Mrs. Coleman will spend July and August at summer resorts in Michigan.

The children's recital given last Saturday was very well attended. It was a fitting climax to the year's work in the children's department. The session Saturday morning was devoted to the study of the life and music of Beethoven. Miss Mehus played familiar movements from Beethoven sonatas for the class.

The Madrigal, under the direction of Mrs. Forrest, will give its annual concert at Music hall Monday evening, May 23, at 8:15. The public is cordially invited.

Miss Miller sang a group of songs at the Civic association banquet Thursday, and at the Rotary club Friday.

The Glee club, under the direction of Miss Miller, will sing on the Americanization program Sunday afternoon.

PAIGE

The Most Beautiful Car in America

Distinction Without Extravagance

Most five-passenger cars are undistinctive and commonplace. They are types instead of original creations. And therein lies the first great difference between the New Series "Glenbrook" and many other cars of the medium priced field.

When you first look at a "Glenbrook" you will recognize it at once as a car with a very distinctive and altogether charming personality. Like well-groomed people, it is individual and unique.

Ride in the Glenbrook and your first impression will become enthusiastic convictions. You will sense at once the power and mechanical resources that meet every emergency of the road. Each burst of speed, each conquered grade drives this conviction home.

But spirited performance is most appreciated these days when it is achieved without waste and extravagance. Not the least of the Glenbrook owner's satisfaction lies in his modest bills for fuel and upkeep.

NOTICE TO CONTRACTORS
Sealed bids will be received by the City of Jacksonville, Illinois, up to the hour of seven-thirty o'clock p. m. on Monday, May 23rd, A. D. 1921, at the Council Chamber in the City Hall of the City of Jacksonville, Illinois, at which time and place they will be publicly opened for constructing the brick setting, ash pit and alterations to present floor and foundations for the Two Three Hundred Horse Power Water Tube Boilers in the Jacksonville Power Plant and Water Works. Complete detailed plans and specifications for said work may be seen in the office of the Caldwell Engineering Company, 504 Ayers Bank Building. Bids will be received for the entire work complete and not for any special section or part. Each bidder must accompany his bid with a certified check for ten per cent (10%) of the amount of the bid, the same to be forfeited in case the work is awarded to the bidder and he shall fail to execute contract and file bond as required. Payment for the work will be made in cash for eighty-five per cent (85%) of the work completed each month, the final fifteen per cent (15%) to be paid upon the engineer's final estimate. A bond in the sum of fifty per cent (50%) of the contract price will be required for the faithful performance of duty. The right is reserved to reject any and all bids. The City of Jacksonville will furnish at the work all materials required therefor except materials for mortar and fire clay. The City of Jacksonville will set all frames, castings, buck-stays, through rods and will place them in position for the brick work. The contractor must bid with the understanding that the engineer will direct the time and manner of constructing the various parts of the work. City of Jacksonville, Illinois. By J. E. Scott, City Clerk. Caldwell Engineering Company, Engineers.

WHEAT CLIMBED RAPIDLY IN PRICE
By Associated Press.
CHICAGO, May 21.—Wheat climbed rapidly in price today, stimulated by crop damage news. The market closed strong 3 1/2¢ to 6¢ net higher with May \$1.65 1/2 to \$1.65 1/2 and July \$1.28 to \$1.28 1/2. Corn gained 5¢ to 1 1/2¢, oats 2 1/2¢ to 3 1/2¢. In provisions, the outcome varied from 5¢ decline to 10¢ advance.

Serious actual depreciation of the winter wheat crop already as well as heavy prospective losses was a generally accepted interpretation of current reports from field experts. Bulls contended that such an outlook was specially significant at present because of a probability that the country was going into the new season with a much smaller carry-over of supplies than usual, and that shorts in the July delivery as well as in the May might encounter a notable squeeze. Abnormal high temperatures and absence of moisture tended further to arouse apprehension. Besides, the Kansas state report indicated a yield of 22,000,000 bushels less than was harvested in 1920. The country sold cash wheat freely on the bulge, and in the sample market the greater part of the premium over May disappeared.

Corn and oats were swept upward by the strength of wheat, notwithstanding that as many as 500 cars of corn are expected to arrive here on Monday. Provisions averaged higher with grain and hogs.

CASH GRAIN REPORT
By Associated Press.
CHICAGO, May 21.—Cash wheat premiums suffered a severe collapse today. No. 1 hard wheat was quoted 20¢ over May at the finish, with sales during the session as a whole ranging from 1 to 6¢ over. This compares with yesterday's sales of 8 1/2¢ to 10¢ over. Red wheat was 3¢ to 5¢ lower. Cash corn and oats basis was 5¢ lower.

Women doing jury service in Camden, N. J., are expected to remove their hats when on duty.

It is claimed that of the 50,000,000 girls and women in the United States, one-half are married.

The New York police department maintains a school for the teaching of women to become detectives.

California's 30,000 women canner workers have returned to their old minimum wage rate of \$16.

Sessue Hayakawa, Japanese movie star, has a collection of Japanese kimono valued at more than 100,000.

According to W. L. George, England's foremost authority on sports, women who take up athletics have a tendency to overdo.

All the members of the Milwaukee Business Women's club wear breeches when on their bi-monthly hikes thru the country.

More than one-half of the girls and women that reach the Women's Court in New York are considered below par mentally.

Despite the fact that she is totally blind, a Boston young woman is making a success as a saleswoman in a department store in the Hub city.

The Court of Industrial Relations has ruled that women workers in Kansas who perform the same work as men are entitled to the same wages.

Dr. Sarah L. Doubt, professor of botany at Washburn College has been elected a fellow of the American association for the Advancement of Science.

Princess Chakhowsky is working in the kitchen of the American Red Cross camp in the old fortress of Santa Maria, Delmatia, and thankful to have escaped the Bolsheviks.

Though she is only fifteen years of age, Irene Cahen, a student at the Boston Music School Settlement, can sing three full octaves, and three notes higher than Geraldine Farrar.

Women in Wisconsin have been deprived of the right to sit on juries by the rejection by the legislature introduced to make eligible to sit with the men.

Standing above all women in English politics today are Mrs. Lloyd George, wife of the Premier, and Viscountess Astor, the only woman member of Parliament.

One of the war's greatest heroines, Mlle. Emilienne Moreau, the "Heroine of Loos," has just been rediscovered in her new role of shopkeeper in the little town of Bethune.

Dr. Emily Daymond, member of the staff of the Royal College of Music, has the distinction of being the only woman who has received the degree of Doctor of Music from Oxford University.

Mrs. Charles Carroll Martin, one time Alice Potter, of Newport, has wearied of society and is engaged in the photographic business in New York City, where she has a fashionable studio on Fifth avenue.

Miss Ellen Terry, for many years considered the foremost English actress observed the sixty-fifth anniversary of her first appearance on the stage on April 28. Her debut was made at the age of eight.

Countess Nicotina, formerly chief lady-in-waiting to the Russian Czarina, and whose husband was minister of agriculture under the old regime, is operating a sewing machine in workrooms established in Paris to aid Russian refugees.

Women trapshooters in this country, that is the leaders among them, have become so proficient at the sport that it is nothing unusual for the winning scores in title events to be only 10 per cent lower than the cards returned by men.

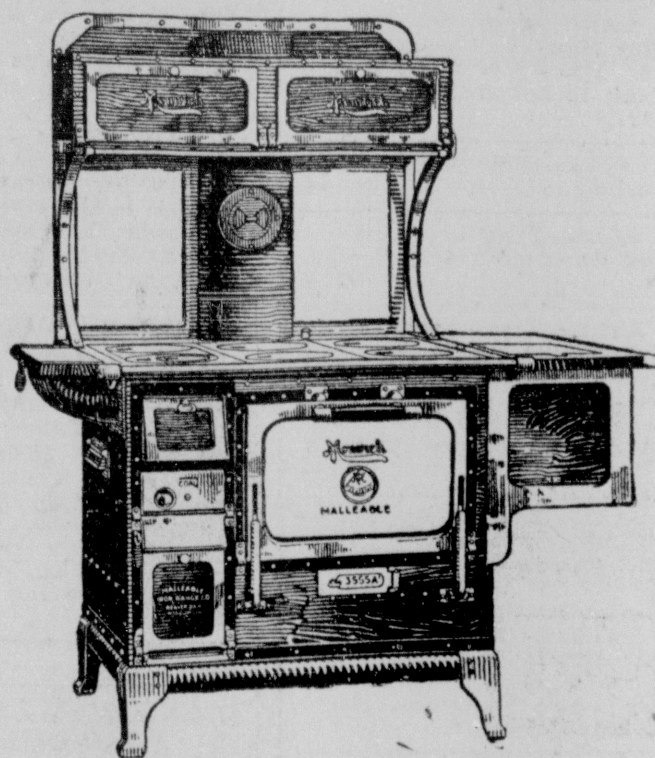

New York's only women's police station is furnished with all the comforts to be found in a well conducted home. In addition to a lounging room, decorated in cream and white, there is a dormitory with snowy white beds, lockers with mirrors attached, and a row of showers.

Of the American women, more than one in every six living in the Hawaiian and others of blood strange to their ancestry. Of all the racial groups the Korean women represent the only one which refuses to mix blood, not a single case of a Korean woman marrying a man other than a Korean having been discovered.

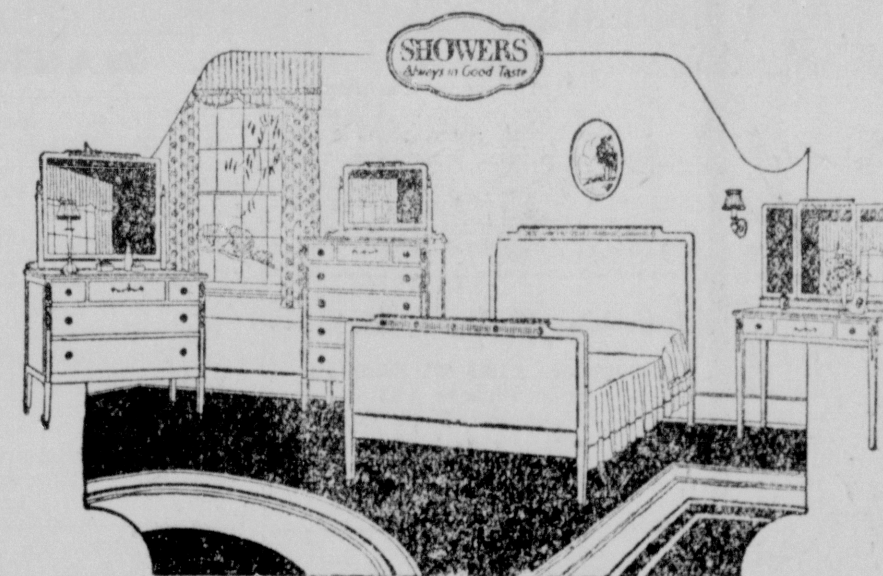

While the average full grown woman possesses only about two-thirds of the physical strength of average man, there have been women who could rival almost every feat of the strongest men. One of the most wonderful of them all was Miss Kate Roberts, the daughter of a Welsh preacher. Though there was nothing massive about this young woman she could lift a full grown man above her head with one arm.

New York has a color expert who is sightless. She is Agnes Stafford, a weaver in the workshop of the new York Lighthouse for the Blind, and so beautifully harmonious are the color combinations she devises, and so pleasant are the actual designs she originates for her loom, that the question of how she is able to combine what she cannot actually see is a puzzle to all who see her work.
